Dear students,

This is to inform you that all UCY courses will be evaluated online via the BannerWeb system.

As per the Senate’s decision (16/12/2015, no. 17/2015) completing the questionnaires is compulsory for students. Students will gain access to their grades after they submit the questionnaire for each of their courses.

Students will have access to their grades the day after the questionnaires are completed.

The information collected with this Questionnaire is used by UCY to improve Study Programmes and the quality of teaching.

UCY teaching faculty do not have access to individual evaluations or any personal data. They only receive anonymous reports, after grades have been announced, with statistical information about the evaluation results of the whole class.
