

U.C. 11.07.01.01.23

ANNOUNCEMENT OF ACADEMIC POSITIONS

The University of Cyprus announces one (1) academic position at the rank of Assistant Professor or Lecturer.

DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING

One position at the rank of Assistant Professor or Lecturer in the following fields of study:

- Parallel and Distributed Algorithms
- Operating Systems and Compilers for Embedded Systems

Candidates must have a strong academic background in Computer Engineering, and have specific expertise in one of the above areas.

For all academic ranks, an earned doctorate from a recognized University is required.

Requirements for each academic rank depend on the candidate's years of academic experience, his/her research record and scientific contributions, involvement in teaching and in the development of high quality undergraduate and graduate curricula. The minimum requirements for each academic rank can be found at the web page:

<http://www.ucy.ac.cy/goto/hure/el-GR/Odiqoi.aspx>

The official languages of the University are Greek and Turkish. For the above position knowledge of Greek is necessary.

Holding a citizenship of the Republic of Cyprus is not a requirement.

The annual gross salary for these positions (including the 13th salary) is:

Assistant Professor	(Scale A13-A14)	€57,694.26 - €77,811.11
Lecturer	(Scale A12-A13)	€48,723.61 - €71,358.82

Interested individuals must submit their application both in printed form in two (2) hardcopies and in electronic form, in two (2) CD copies in PDF (Portable Document Format) or Word, by **Monday, 31st of October 2011**. The application must include the following items:

- I A letter stating the academic rank or ranks for which the applicant is interested in, the field of study and the date when he/she may be able to assume duties in the event of selection.
- II A Curriculum Vitae.
- III A brief summary of previous work and a statement of plans for future research (up to 1500 words).
- IV A list of publications.
- V Copies of the three most representative publications.
- VI Certified copies of degree certificates should be scanned and included in the CD.

In addition, the applicants must ask three academic referees to send recommendation letters directly to the University. The names and addresses of these referees must be submitted along with the application, since additional confidential information may be sought. The recommendation letters must be received by the University by **Monday, 31st of October 2011**.

If candidates have had letters of recommendation sent to the University of Cyprus in the past three years, they have the option of instructing the Selection Committee to use the old letters. In such a case, the candidates should indicate in their submission letter their permission to use the letters already on file.

The Curriculum Vitae and the statement of previous work and plans should be written in Greek or in Turkish and in one international language, preferably English.

Applications, other documents and reference letters submitted in the past **will not be considered and must be re-submitted**.

Incomplete applications will not be considered.

All application material must be submitted to:

**Human Resources Service
University of Cyprus
University Campus
Council/Senate Anastasios G Leventis Building
P.O. Box 20537
1678 Nicosia, Cyprus
Tel. 22894158/4155**

by **Monday, 31st of October 2011, 2:00 p.m.**, by hand. Alternatively, applications can be sent by post, but will only be considered valid provided that the post-office stamp date indicated on the envelope does not exceed the 31st of October 2011, and that it reaches the Human Resources Service by the 7th of November 2011, the latest. The sole responsibility will be upon the interested applicant.

It is noted that for the period 15/08/2011 to 19/08/2011 the Administration Services of the University of Cyprus will be closed due to summer vacation. Consequently, the Human Resources Service will not be able to receive applications during the above mentioned period.

For more information the Human Resources Service (00357 22894158/4155) or the Department of Electrical and Computer Engineering (00357 22892240) may be contacted.

29th of July 2011
