

Aims of ESA

- Works in the interest of all international students who are spending part of their studies at any Cypriot higher education institution
- Works to improve the social and practical integration of exchange students in Cyprus
- Represents the needs and expectations of exchange students
- Promotes Cyprus and Cypriot culture
- Promotes collaboration between universities in Cyprus

We are supporting all universities through:

- Providing useful information to incoming students
- Providing the first steps of assistance for Erasmus students in Cyprus
- Supporting Erasmus Offices in solving exchange students issues
- Accommodation assistance
- Increasing exchange students satisfaction with their study
- And much much more....

Join us:

If you are a creative individual willing to help our association and have the desire to meet other exchange students, you will be more than welcome to become a proud member of ESA.
