Scheduled Courses

January—June 2011

your success....

our business

Our mission...

The cornerstone for the success of EdITC is none other than its human resources. Our faith in continual improvement and the satisfaction of customer requirements and needs provides the starting point for achieving our quality objectives. EdITC is aiming at providing quality training solutions with emphasis on specialized Information Technology seminars. This is achieved by transferring to our customers practical knowledge from highly educated and certified consultants through innovative approaches, and high technology equipment, making training an enjoyable experience.

Our Instructors are Practitioners

Our Instructors are experienced certified technology professionals with training skills, who use the technology and are able to bring real life examples in the classroom

Customer Focus

Our focus is on delivering the best customer service and advice in our industry, placing the customer at the heart of the business.

Partners

EdITC partners with the world's leading technology leaders, including Cisco, Microsoft and COMPTIA to ensure that we're not only delivering authorized training content, but adhere to their quality commitments.

Learning Services

EdITC recognises that learning is not just attending training courses but is critical to an organisations success. Today business is fast moving, competitive and demands a highly skilled workforce. Our Learning Services Offerings are designed to support our customers in achieving these goals and together we develop learning programmes that fit in with their strategy.
