Instructions for Internet Access at Residential Halls

Residents of the Students Halls are kindly requested to follow the instructions below in order to gain access to the Internet:

Step 1

Plug in the network cable to your PC / Laptop

Step 2

Power on your PC / Laptop

Step 3

Open your preferred Web browser (e.g. Internet Explorer, Mozilla Firefox)

Step 4

You will be redirected to a login page, a screenshot of which is shown below:

Login as:

Please provide your credentials to access UCY network.

Step 5

At this point you will have to enter your credentials (username and password). If you are a student at the University of Cyprus, please proceed to **Step 6**. If you are a temporary visitor (guest), please proceed to **Step 7**.

Step 6

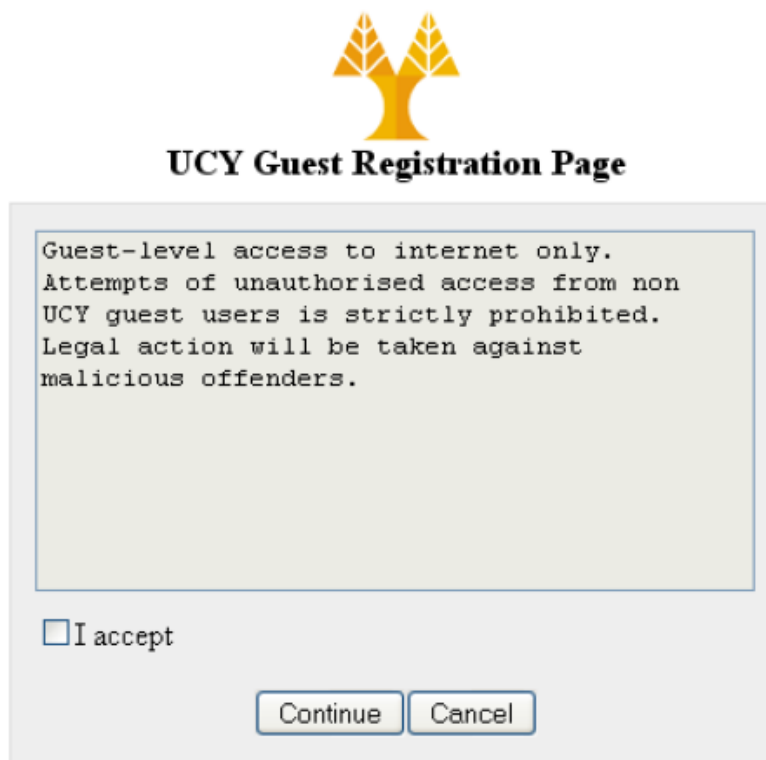

If you are a student at the University of Cyprus:

You can use the username and password that you use to access your University of Cyprus' e-mail account. In the **Login as** field, make sure that **USER** is selected. After you have completed these fields, click on **Continue**. A message will inform you that you have to wait for about 20 seconds until your IP address is renewed. Once the IP is renewed, you will have access to the Internet and the UCY resources.

Step 7

If you are a temporary visitor (guest) at the University of Cyprus:

Click on the **Guest Access** button. You will be directed to a different page, a screenshot of which is shown below:

Read carefully the rules and conditions, the **I accept** tick box and then click on the **Continue** button. The Guest Registration Page will then appear.

Fill in the Registration Fields according to the following rules:

- a. In the **Guest ID** field enter your name and surname without adding spaces in between (e.g. MichaelJones).
- b. Your password must be 8 to 12 characters in length.
- c. In the **Affiliation** field enter the name of your University, for example University of Arizona.
- d. Enter your **Name** and **Surname** in the respective fields.
- e. Click on the **Continue** button.
