GENERAL INFORMATION FOR ALL POSTGRADUATE PROGRAMMES	20

POSTGRADUATE PROGRAMME PLACES FOR THE SPRING SEMESTER 2016-2017

The University of Cyprus announces that it will be accepting applications for the following postgraduate programmes beginning in **January 2018**, **until 31 October of 2017**.

1. DEPARTMENT OF ACCOUNTING AND FINANCE

Ten (**10**) places for the postgraduate programme leading to a Master's or a PhD degree are distributed as follows:

- **8** places at the **Master's** level in **Finance**
- **2** places at the **PhD** level in **Finance**

For further information, please contact the Department's Secretary:

Tel: 22 893636, 22 893605, Fax: 22 895475, <http://www.ucy.ac.cy/afn/en/>

2. DEPARTMENT OF ARCHITECTURE

Eighteen (**18**) places for the postgraduate programmes leading to a Master or doctorate degree. The places are distributed as follows:

Nine (**9**) places at the **PhD** level for the postgraduate programme in **Architecture**

The specializations of the programme are in the following areas:

- Architectural History and Theory
- Architectural Design and Theory
- Digital Communication Media
- Architectural Technology
- Urban Design
- Energy and Environmental Design of Buildings

The candidates for the PhD programme should be graduates of a Diploma in Architecture (5 years degree) or a Master (M.A. or M.Sc.) in a domain of Philosophy, the Social Sciences and the Humanities, Fine Arts, Applied Arts, Civil Engineering, Environmental Engineering, Electrical and Computer Engineering, Computer Science, Economics and Management.

For more details on the research directions in architecture available in this programme, please refer to faculty research at <http://www.ucy.ac.cy/arch/el/staff/academic>

Nine (9) places for the Interdepartmental Postgraduate Programme of the Faculty of Engineering (Master Level) in **Energy Technologies and Sustainable Design**.

For further information, please contact the Secretary of the Department:

Tel: 22 892980, Fax: 22 895056, e-mail: ioannad@ucy.ac.cy, <http://www.ucy.ac.cy/arch/en>

3. DEPARTMENT OF BIOLOGICAL SCIENCES

Twelve (12) places for the postgraduate programme leading to a Master's or a PhD degree. The places are distributed as follows:

- 6 places at the **Master's** level
- 6 places at the **PhD** level

Master Programmes:

Postgraduate Programme in Molecular Biology

- **Master's** level in **Molecular Biology and Biomedicine**
- **Master's** level in **Biomedical Sciences**
- **Master's** level in **Biodiversity and Ecology**

PhD Programmes:

PhD in Biology

- **PhD** level in **Biomedical Sciences**
- **PhD** level in **Biodiversity and Ecology**

MSc and PhD degrees in Biomedical Sciences, as well as the PhD in Biodiversity and Ecology encompass classroom training and a strong laboratory-based research component. In contrast, the MSc in Molecular Biology and Biomedicine does not involve laboratory-based research. The MSc in Biodiversity and Ecology offers a research-based or a literature-based thesis. Applicants who join this programme, will be offered one of these two options upon acceptance to the programme.

Students who apply for a laboratory-based research degree are strongly encouraged to contact departmental faculty members prior to their application process in order to discuss the possibility of securing a laboratory position for thesis research and to be able to better select which laboratory best fits their interests. Upon acceptance to the laboratory-based research degrees, all students should have already identified a faculty member that would be prepared to supervise them for the laboratory component of their research work.

All the programmes will be offered only in English language.

Candidates who meet the necessary requirements will be called for an interview.

For further information please contact the Department's Secretary:

Mrs. Anna Christou

Tel.: 22 892894, Email annac@ucy.ac.cy

Further information for the Department's research activities can be obtained from the Department's website <http://www.ucy.ac.cy/biol/en/>

4. DEPARTMENT OF BUSINESS AND PUBLIC ADMINISTRATION

Six (6) places in the postgraduate programme leading to a **PhD** degree in **Business Administration**.

- 3 places in the **PhD** programme in **Business Administration** (in english language)
- 3 places in the **PhD** programme in **Business Administration** (in greek language)

Applications from candidates interested in the following fields of study will be considered:

- Management
- Marketing
- Operations Management / Management Science
- Management Information Systems

For entry to the PhD Programme, applicants must hold a Master's Degree from an accredited university in a related subject.

Applications must include:

1. A preliminary research proposal (up to 1500 words) that describes the candidate's proposed research topic. Specifically, the proposal should include outlines of:
 - The research questions and their significance
 - The proposed research methodology to address the research questions
 - The key literature on the research topic
 - A timetable for completing the PhD
2. Proof of very good knowledge of the English language (test results and/or certificates obtained). This is not necessary for applicants who received their degrees for programmes taught in English.
3. Three (3) reference letters from University professors familiar with the candidate and his/her academic performance.

It is recommended that before candidates apply for the programme, they explore the research interests of the resident faculty along with their own and possible communicate with them for a preliminary discussion. For more information please visit our web page: www.ucy.ac.cy/bpa

Candidates may, also, contact the Department's Secretaries:

Tel: 22 893650, 22893740 Fax: 22 895030, Email: bamyria@ucy.ac.cy

For further information, candidates may contact the Department's Secretary:

Tel: 22 893650 Fax: 22 895030, Email: bamyria@ucy.ac.cy

5. DEPARTMENT OF BYZANTINE AND MODERN GREEK STUDIES

Seventeen (**17**) places are available in the postgraduate programme in **Modern Greek Philology**, which are distributed as follows:

- 12 places at the **Master's** level
- 5 places at the **PhD** level

For further information, please contact the Department's Secretary:

Tel: 22 893870, 22 893880, e-mail: bmg@ucy.ac.cy

6. DEPARTMENT OF BYZANTINE AND MODERN GREEK STUDIES AND DEPARTMENT OF HISTORY AND ARCHAEOLOGY

Sixteen (**16**) places for the **Interdepartmental Postgraduate Program in Byzantine Studies and the Latin East**, which are distributed as follows:

- 12 places at the **Master's** level
- 4 places at the **PhD** level

For further information, please contact the Department's Secretaries:

Department of Byzantine and Modern Greek Studies:

Tel.: 22 893870, 22 893880, e-mail: bmg@ucy.ac.cy

Department of History and Archaeology:

Tel.: 22 892180, Fax: 22 895068, 22 895078

Webpage of Programme: www2.ucy.ac.cy/byz/

7. DEPARTMENT OF CHEMISTRY

Seven (**7**) places for the postgraduate programme which leads to obtaining a PhD degree. The places are distributed as follows:

- 7 places at the **PhD** level in **Chemistry**

For further information regarding the research interests and contacts the Co-ordinators Professors can be found to the website <https://ucy.ac.cy/chem/documents/PostPrEng.pdf>

For further information, contact the Co-ordinators of the postgraduate programme:

Professor Anastasios Keramidas, Tel.: 22 892764, email: akeramid@ucy.ac.cy

The President of the Department: Associate Professor Nikos Chronakis, Tel.: 22 892781, email: nchronak@ucy.ac.cy. Secretary of Department 22 892780, Fax: 22 895088.

8. DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING

Forty-four (**44**) places for the postgraduate programme which leads to obtaining a Master's or a PhD degree.

The places are distributed as follows:

(a) Seventeen (**17**) places for the postgraduate programme of **Civil Engineering** are distributed as follows:

- Fifteen (**15**) places are available at the **Master's** level in **Civil Engineering (MSc, MEng)**, which are divided in the following disciplines:
 - **Construction and Transport Infrastructure Management (2 places)**
 - **Earthquake Engineering (4 places)**
 - **Geotechnical Engineering (3 places)**
 - **Novel and Traditional Building Materials (2 places)**
 - **Structural Analysis (4 places)**

- Two (**2**) places are available at the **PhD** level in **Civil Engineering**

(b) Seventeen (**17**) places for the postgraduate programme of **Environmental Engineering** are distributed as follows:

- Twelve (**12**) places are available at the **Master's** level in **Environmental Engineering (MSc, MEng)**

- Five (**5**) places is available at the **PhD** level in **Environmental Engineering**

(c) Ten (**10**) places for the Joint Postgraduate Programme of the Faculty of Engineering at **Master** level in **Energy Technologies and Sustainable Design**.

In case of applications to more than one specialization or level of graduate study, please indicate explicitly your order of preference by completing the following form: <http://www.ucy.ac.cy/cee/documents/priorityRankingCEED.pdf>

For further information, please contact the Department's Secretary:

Tel: 22 892249, Fax: 22 892295, cee@ucy.ac.cy

www.eng.ucy.ac.cy/CEE/CEEHome.htm

9. DEPARTMENT OF COMPUTER SCIENCE

Thirty three (**33**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

Master Programmes:

- Seven (**7**) places for the new **Master's programme in Computer Games and Interactive Media** (with the Department of Multimedia and Graphic Arts of the Cyprus University of Technology).
- Eight (**8**) places for the **Master's programme in Computer Science (MCS)**. The course is designed primarily for Computer Science and other science-related graduates who seek to develop research skills and enhance their knowledge in advanced areas of Computer Science. Students who attend this program may pursue a PhD degree after their graduation.
- Twelve (**12**) places for the **Professional Master's programme in Advanced Information Technologies (PM)**. The aim of the Professional Master in Advanced Information Technologies is to help Information Technology Professionals to extend and update their knowledge in Advanced Computer Technologies and to acquire up-to-date know-how in subjects related to the national Information Technology industry like Software Engineering, the Internet and Intelligent Systems.

PhD Programmes:

- Six (**6**) places are available at the **PhD** level in **Computer Science**. The main research interests of the Department's staff are: Artificial Intelligence, Computer Architecture, Computers Networks, Databases, Digital Signal and Image Processing, Distributed and Parallel Computing, Graphics and Virtual Reality, Grid Computing, Internet Technologies, Mobile Computing, Multimedia, Software Engineering, Theoretical Computer Science.

Further information for the Department's research activities can be obtained from the Department's website www.cs.ucy.ac.cy.

The minimum qualifications required in order to apply, are a recognized University Degree in Computer Science or in a related field from an accredited Institution with an overall grade of "Very Good." The selection process will consider the academic standing and achievement of the candidate, especially for the courses related to Computer Science, reference letters, and any professional or personal interview should this be deemed necessary.

For further information, please contact the Department's Secretary:

Email: cs@ucy.ac.cy Tel: 22 892700, Fax: 22 892701

10. DEPARTMENT OF EDUCATION

One hundred twenty five (**125**) places for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Seventeen (**17**) places, which are distributed as follows, are available for pursuing a Master's or PhD programme in **Curriculum Studies, Teaching and Comparative Education**.

- **17** places at the **Master's** level

The candidates for the Master's should have a graduate degree. A very good knowledge of the English language is also required.

(b) Fourteen (**14**) places, which are distributed as follows, are available for pursuing a Master's or PhD programme in **Educational Administration and Evaluation**.

- **12** places at the **Master's** level
- **2** places at the **PhD** level

The candidates for the Master's should have a graduate degree, as well as a very good knowledge of the English language.

The candidates for the PhD should have a graduate (Master's) degree, as well as a very good knowledge of the English language.

(c) Twelve (**12**) places, which are distributed as follows, are available for pursuing a Master's or PhD inter-departmental and interdisciplinary self-finance programme in **Gender Studies**.

- **10** places at the **Master's** level
- **2** places at the **PhD** level

The candidates for the Master's should have a graduate degree. A very good knowledge of the English language is also required.

The candidates for the PhD should have a graduate (Master's) degree, as well as a very good knowledge of the English language.

(d) Three (**3**) places, which are distributed as follows, are available for pursuing a PhD programme in **Language and Education**.

- **3** places at the **PhD** level

The candidates for the PhD should have a graduate (Master's) degree, as well as a very good knowledge of the English language.

(e) Ten (**10**) places, which are distributed as follows, are available for pursuing a Master's or PhD programme in **Language Pedagogy**.

- **10** places at the **Master's** level

The candidates for the Master's should have a graduate degree. A very good knowledge of the English language is also required.

(f) Twelve (**12**) places are available for the postgraduate programme in **Learning in Natural Sciences**. They are distributed as follows:

- **12** places at the **Master's** level

The candidates for the Master's should have a graduate degree in Education or from the Departments of Natural Sciences or Engineering Faculties or other relative Academic Departments, as well as a very good knowledge of the English language.

(g) Fourteen (**14**) places, which are distributed as follows, are available for obtaining a place to study on the Master's or PhD programme in **Mathematics Education**

- **13** places at the **Master's** level
- **1** place at the **PhD** level

The candidates for the Master's should have a graduate degree in Education or in Mathematics or other degree related to the field, as well as a very good knowledge of the English language.

The candidates for the PhD should have a graduate Master degree in Mathematics or in Mathematics Teaching, as well as a very good knowledge of the English language.

(h) Twenty five (**25**) places, which are distributed as follows, are available for pursuing a Master's or PhD programme in **Pedagogical Science**.

- **25** places at the **Master's** level

The candidates should either be teachers of primary or secondary education or have a degree which enables them to be appointed as teachers. A very good knowledge of the English language is also required.

The candidates should choose and note on their application form the field they prefer to follow:

Choose one field from the following: (Religious Education, Sociology of Education, Preschool Education, Theory and Practice of Teaching, Multiculturalism, Migration and Decolonial Education, Educational Technology).

For further information, please contact the Department's Secretary:

Tel: 22 892940, 22 892941, 22892942 Fax: 22 894488

11. DEPARTMENT OF EDUCATION AND DEPARTMENT OF MATHEMATICS AND STATISTICS

Eighteen (**18**) places are available for the postgraduate programme in **Didactics and Methodology of Mathematics**, which leads to obtaining a **Master's** degree. The programme is offered by the Departments of Education and Mathematics and Statistics of the University of Cyprus, in co-operation with the Mathematics Department of the University of Athens.

The degrees are jointly awarded by the two co-operating Universities of Athens and Cyprus and are signed by both rectors of the two Universities. In addition to the fees, the students will be responsible for undertaking their traveling expenses to Greece in order to attend the required summer schools and seminars.

The candidates for the Master's should have a graduate degree in Mathematics, as well as a very good knowledge of the English language.

For further information, please contact the Departments' Secretaries:

Department of Education

Tel: 22 892940, 22 892941, 22892942 Fax: 22 894488

Department of Mathematics and Statistics

Tel: 22 892600, Fax: 22 892601

12. DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING

Forty five (**45**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Twenty (**20**) places for the postgraduate programme in **Electrical Engineering** which are distributed as follows:

- Ten (**10**) places at the **Master's** level (**MSc / MEng**)
- Ten (**10**) places at the **PhD** level

(b) Twenty (**20**) places for the postgraduate programme in **Computer Engineering** which are distributed as follows:

- Ten (**10**) places at the **Master's** level (**MSc / MEng**)
- Ten (**10**) places at the **PhD** level

(c) Five (**5**) places for the Joint Postgraduate Programme of the Faculty of Engineering at **Master** level in **Energy Technologies and Sustainable Design**.

For further information, please contact the Department's Secretary:

Tel: 22 892271, 22 892240, Fax: 22 895079, e-mail: ece@ucy.ac.cy

<http://www.ucy.ac.cy/ece/en/>

13. DEPARTMENT OF ENGLISH STUDIES

Six (6) places are available for the postgraduate programme which leads to obtaining a PhD degree. The places are distributed as follows:

PhD Programmes:

- (a) Five (5) places at the **PhD** level in **English Literature and Comparative Cultural Studies** which leads to a PhD degree in the above mentioned area. Candidates are advised to consult the specific research interests of the programme faculty in their respective research pages <http://www.ucy.ac.cy/eng/en/staff/academic>
- (b) One (1) place at the **PhD** level in **Linguistics** which leads to a PhD degree. Applicants are strongly encouraged to contact the potential supervisor in the following research areas.

Potential supervisor Dr. Phoevos Panagiotidis

- Comparative grammar
- Theoretical syntax, theoretical morphology
- Grammatical variation and/or language contact

Candidates for PhD Programmes must hold a Master's degree in a discipline related to their proposed area of research. They are also expected to have a high level of competence in spoken and written English.

Applications for the PhD Programme must include a Copy of MA Thesis and two recommendation letters from academic faculty. **The applications and all documents must be submitted in English**

For further information, please contact the Department's secretary:

Tel.: 22 892101, 22892102, Fax: 22 895067 Email: kontozi.andrie@ucy.ac.cy

14. DEPARTMENT OF FRENCH AND EUROPEAN STUDIES

Fourteen (14) places are available for the postgraduate programmes which lead to obtaining a Master's or a PhD degree. The places are distributed as follows:

- 5 places at **Master's** level in **Didactic of French as a Foreign Language**
- 5 places at **Master's** level in **European Studies**
- 2 places at the **PhD** level in **French Studies**
- 2 places at the **PhD** level in **European Studies**

For further information, please contact the Coordinator of the postgraduate programme:

Assistant Professor Fryni Doa, Tel: 22 89 43 78

Email: frynidoa@ucy.ac.cy

The Department's Secretary:

Tel. 22 89 43 89, Fax.: 22 89 43 87, Email: french@ucy.ac.cy

15. DEPARTMENT OF HISTORY AND ARCHAEOLOGY

Forty five (45) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Eleven (11) places are available for the postgraduate programme in **Modern and Contemporary History** which are distributed as follows:

- 10 places at the **Master's** level
- 1 place at the **PhD** level

The candidates for the **Master** programme must be holders of a BA from recognized universities. Priority will be given to graduates of the following departments: Graduates of History, Faculty of Letters, Political Science, European Studies or Turkish Studies.

Graduates of Greek universities and the University of Cyprus must have a GPA of at least 7,0. This is also required for graduates of other universities. **The application must include two undergraduate essays or publications in Modern History.**

Good knowledge of the English language is obligatory. Knowledge of a second European language will be an advantage.

Final decision for acceptance will be made by a Committee consisting of professors of the Department – permanent teaching staff of the programme. The Committee may decide to invite the candidates for an interview and/or a written examination, regardless if they have all requirements. The language for teaching and for writing the MA thesis is Greek. **Submit certificates of good knowledge of the English language and possible other languages.**

The candidates for the **PhD** programme should be graduates of a Master's programme in History from a recognized University. At the discretion of the Department, holders of a postgraduate title of Political Science or European Studies or Turkish Studies or any other Master's degree that satisfies the requirements of the program, can also be accepted.

Good knowledge of the English Language is mandatory. Knowledge of a second European language will be considered an advantage. **The application must include a copy of the MA thesis. Additionally submit certificates of good knowledge of English.**

Candidates will be chosen following a personal interview and possibly a written examination.

Programme Coordinator of Modern and Contemporary History

Associate Professor Petros Papapolyviou

Telephone Number: 22 892188 Email: ppplb@ucy.ac.cy

(b) Fifteen (15) places are available for the postgraduate programme in **Mediterranean Archaeology** which are distributed as follows:

- **10** places at the **Master's** level
- **5** places at the **PhD** level

The candidates for the **Master's** programme should be: a) graduates of the Department of History and Archaeology of the University of Cyprus or graduates of the Departments of History and Archaeology of the Greek Universities, or b) graduates of the Department of Classical Studies and Philosophy of the University of Cyprus or other related Departments of the Greek Universities, or c) graduates of the Departments of History or Classical Studies of other recognized universities, or d) graduates of other recognized Universities in relevant subjects (History, History of Art, Architecture, Anthropology and other sciences which support Archaeology, like Geology, Physics and Chemistry), or e) graduates of the Faculty of Philosophy of the University of Cyprus with a minor degree in History or Archaeology. The grade of the Bachelor degree should be at least 7.0/10. Candidates who will be judged as qualified will be called to an interview. Candidates will also go through a written examination in one of the basic European languages (English, French, German, Italian and Spanish), that they will choose. The language of teaching and writing of the dissertation thesis is Greek.

The application must include two undergraduate essays on archaeological topics, or in case of graduates of other related subjects two undergraduate essays on relevant topics. Additionally submit certificates of good knowledge of one foreign language.

The candidates for the **PhD** programme should be graduates of a Master's programme in Archaeology or other relevant sciences (History of Art, Architecture, Anthropology, Ancient History and other sciences supportive for Archaeology, like Geology, Physics and Chemistry), from a recognized University. The candidates judged as qualified will be asked to an interview. They will also go through a written examination in one of the basic European languages (English, French, German, Italian and Spanish).

The application must include a copy of the MA thesis and copies of possible publications. It additionally includes certificates of good knowledge of at least one foreign language if there are any.

Programme Coordinator of Mediterranean Archaeology

Associate Professor George Papasavvas

Telephone Number: 22 893566 Email: georgep@ucy.ac.cy

(c) Nine (**9**) places are available for the postgraduate programme in **Ancient History** which are distributed as follows:

- **8** places at the **Master's** level
- **1** place at the **PhD** level

Admission to the MA programme in Ancient History is open to holders of a BA from the Department of History and Archaeology of the University of Cyprus or from corresponding departments in Greek universities and other recognized universities abroad, with a grade the equivalent of 6.5 or above, as well as holders of a BA from the Department of Classics and Philosophy of the University of Cyprus, from Departments of Classical Philology in Greek universities, as well as from analogous departments in other recognized universities abroad, with a grade the equivalent of 6.5 or above.

Candidates for the PhD should hold an MA in the field of Ancient History from the University of Cyprus or from a recognized university abroad.

Alternatively, they can hold an MA in Classical Archaeology from a university abroad or from the postgraduate programme in Mediterranean Archaeology from the University of Cyprus. Every candidate must submit a CV with any pertinent publications along with a brief description, up to 3 pages (in Greek or, in the case of foreigners, in an international language), of the topic to be covered in the proposed PhD dissertation. If the topic stems from the MA thesis, the candidate should describe the thesis in detail. The Examining Committee will decide on admissions following interviews. The Examining Committee consists of 4 members (two instructors in Ancient History from the Department of History and Archaeology of the University of Cyprus and two Professors from the Faculty of Letters of the University of Cyprus).

Programme Coordinator of Ancient History

Associate Professor Maria Kantirea

Telephone Number: 22 892176 Email: kantirea@ucy.ac.cy

(d) Six (6) places for the postgraduate programme in **Field Archaeology on Land and Under the Sea** as follows:

- 6 places at the **Master** level

Candidates must have completed a degree in Archaeology, History, Classics, Anthropology or other related fields of research (History of Art, Architecture, Geography, Geology, Physics, Chemistry, Engineering) in recognized universities.

Graduates of the University of Cyprus and Greek Universities must have an undergraduate diploma with a cumulative grade of **6,5** or higher. The equivalent is required for graduates from other universities. The applicants must also speak English at a satisfactory level.

In the application, apart from two reference letters and copies of previous diplomas, a short statement (up to 650 words) of personal goals and research interests, in English should be included.

Candidates who meet the necessary requirements will be called for an interview.

Programme Coordinator of Field Archaeology on Land and Under the Sea

Associate Professor Stella Demesticha

Telephone Number: 22893568 Email: demesticha@ucy.ac.cy

For further information, please contact the Department's Secretary:

Tel: 22 892180, 22 893560, Fax: 22 895068, , Email: isa@ucy.ac.cy

<http://www.ucy.ac.cy/hisarch/en/>

16. DEPARTMENT OF MECHANICAL AND MANUFACTURING ENGINEERING

Twenty two (22) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Eight (8) places for the Postgraduate Programme in Mechanical and Manufacturing Engineering:

- Three (3) places at a **Master's** level in **Mechanical and Manufacturing Engineering**
- Five (5) places at a **PhD** level in **Mechanical and Manufacturing Engineering**

Research Areas

- Biomedical and Biotechnology Engineering
- Computational Mechanics of Solid and Fluids
- Design, Manufacturing, Automation and Robotics
- Energy Systems
- Mechanical Systems Modelling and Controls
- Micro- and Nano-Technology

(b) Six (6) places for the postgraduate Programme in **Advanced Materials and Nanotechnology**

- One (1) place at a **Master's** level in **Advanced Materials and Nanotechnology**
- Five (5) places at a **PhD** level in **Advanced Materials and Nanotechnology**

(c) Eight (8) places for the Joint Postgraduate Programme of the Faculty of Engineering at **Master** level (MEng) in **Energy Technologies and Sustainable Design**.

An one-year scholarships (3500 Euros) will be offered to the best full-time candidate admitted in the postgraduate Ph.D. programme based on academic merit and financial need (depending on availability of funds). If you are interested to be considered for the scholarship you should state it at Step 11 of the application.

You should also state, on this section whether you are interested in working as a Teaching Assistant during the first year of your graduate study.

For further information, please contact:

The co-ordinator of Postgraduate Studies:
Assistant Professor Triantafyllos Stylianopoulos
Tel: 22 892238, Email: tstylian@ucy.ac.cy

The Secretary of the Department:

Mrs Maria Markou, Email: markou.maria@ucy.ac.cy
Tel: 22 892250 or 22 892248, Fax: 22 895081

17. DEPARTMENT OF PHYSICS

Sixteen (16) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

Sixteen (16) places for the postgraduate programme in **Physics** are distributed as follows:

- **9** places at the **Master's** level
- **7** places at the **PhD** level

The research interests of the Departmental staff are:

- Gravitation and Cosmology
- Theoretical and Experimental Nuclear Physics
- Theoretical and Experimental High Energy Particle Physics
- Photonics, Lasers and Optoelectronics
- Theoretical and Experimental Condensed Matter Physics
- Theoretical and Computational Biophysics

For further information, please contact the Department's Secretary:

Tel: 22 892820 Fax: 22 892821, email: toulla@ucy.ac.cy

18. DEPARTMENT OF SOCIAL AND POLITICAL SCIENCES

Twenty three (**23**) places for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

Master's Programs:

- **11** places at the **Master's** level in **Social and Political Theory**
- **5** places at the **Master's** level in **Political Science** for specialization in **European Politics**
- **4** places at the **Master's** level in **Political Science** for specialization in **International Relations**

PhD Programs:

- **2** places at the **PhD** level in **Sociology**
- **1** place at the **PhD** level in **Political Science**

The candidates for the PhD should look at the specific research interests of the teaching staff in the following link: <http://www.ucy.ac.cy/sap/en/> and submit a research proposal

They should also prepare their application according to the specific requirements found in the following link: <http://www.ucy.ac.cy/sap/en/academicprogramms/doctoral-programme>

SCHOLARSHIPS IN THE DEPARTMENT OF SOCIAL AND POLITICAL SCIENCES:

SCHOLARSHIP FOR THE MASTER PROGRAM:

The Department of Social and Political Sciences offers one (1) scholarship for the Master's Program in Political Science (specialization in International Relations or European Politics) in memory of the late Minister of Defense, Tasos Mitsopoulos. The scholarship covers the study fees; these will be

waived in full for the successful applicant. To be eligible for the scholarship, the applicants must be Officers of the Cyprus National Guard and prospective post-graduate students in the program (existing post-graduate students are not eligible).

Submission of Application:

Applications can only be submitted through the online application system of the University of Cyprus at http://ucy.ac.cy/postgraduate_appl_en . At Step 11 of the application, select the scholarship you wish to apply for.

The fees will be covered by the University of Cyprus and the applications will be evaluated by the Post-graduate Studies Committee of the Department.

SCHOLARSHIP FOR THE PhD PROGRAM:

The Department of Social and Political Sciences calls for applications for two PhD scholarships for its Ph.D. programs in Sociology and in Political Science. These scholarships are addressed only to new applicants for admission in January 2018.

The yearly value of the Scholarship will be 12,000 Euros each, that is a 1333 Euro monthly allowance for nine months (it does not include any obligations during summer), plus tuition. Additionally, 800 Euros per year will be available for presentations at international conferences.

The scholarship will be granted for four years, depending on the performance of the Candidate PhD student, who will be evaluated by the Department Council, and subject to the approval of the necessary funds in the university budget for the following years. Successful applicants will not be allowed to work, within or outside the University, during the period of the Scholarship. Also, the PhD students will be assigned Teaching Assistant duties or administrative duties at the Department (– the equivalent of four hours of work per week during the Fall and Spring semesters).

Applicants must prepare their research proposal after consulting the website of the Department <http://www.ucy.ac.cy/sap/en/academicprogramms/doctoral-programme> and after examining the faculty's research interests. They should contact directly a member of the faculty with whom they have similar research interests for initial guidance regarding the PhD proposal. The thesis can be written either in Greek or in English or any other international language with the prior approval of the Research Advisor.

Selection Criteria:

- (1) Academic excellence
- (2) Originality of research proposal
- (3) Capability of member of academic staff to supervise the proposal

Submission of Application:

Applicants must submit electronically their application for the PhD programmes of the department at http://ucy.ac.cy/postgraduate_appl_en . Those interested for a scholarship should state it at Step 11 of the application.
