POSTGRADUATE PROGRAMME PLACES FOR THE ACADEMIC YEAR 2017-2018

The University of Cyprus announces that it will be accepting applications for the following postgraduate programmes beginning in **September 2017**, by **Friday, 31st of March 2017 until 12 noon.**

1. DEPARTMENT OF ACCOUNTING AND FINANCE

Thirty **(30)** places for the postgraduate programme leading to a Master's or a PhD degree are distributed as follows:

- **25** places at the **Master's** level in **Finance**
- **5** places at the **PhD** level in **Finance**

For further information, please contact the Department's Secretary:

Tel: 22 893636, 22 893605, Fax: 22 895475

2. DEPARTMENT OF ARCHITECTURE

Twenty **(20)** places for the postgraduate programmes leading to a Master (M.Sc & M.Eng) and a PhD degree are distributed as follows:

- Ten **(10)** places at the PhD level for the postgraduate programme in Architecture*

The specializations of the programme are in the following areas:

- Architectural History and Theory
 - Architectural Design and Theory
 - Digital Communication Media
 - Architectural Technology
 - Urban Design
 - Energy and Environmental Design
- Ten **(10)** places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (M.Sc & M.Eng) level in Energy Technologies and Sustainable Design.

*The candidates for the PhD programme should be graduates of a Diploma in Architecture (5 years degree) or a Master (M.A. or M.Sc.) in a domain of Philosophy, Social Science, Fine Arts, Applied Arts, Civil Engineering, Environmental Engineering, Electrical and Computer Engineering, Computer Science, Economics and Management.

For further information, please contact the Secretary of the Department:

Tel: 22 892980, Fax: 22 895056, e-mail: ioannad@ucy.ac.cy - Architecture@ucy.ac.cy, Departments

Website: www.ucy.ac.cy/arch/en/

3. DEPARTMENT OF BIOLOGICAL SCIENCES

Thirty (30) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

- 20 places at the **Master's level**
- 10 places at the **PhD level**

Master Programmes:

Postgraduate Programme in Molecular Biology

- **Master's level in Molecular Biology and Biomedicine**
- **Master's level in Biomedical Sciences**
- **Master's level in Biodiversity and Ecology**

PhD Programmes:

PhD in Biology

- **PhD level in Biomedical Sciences**
- **PhD level in Biodiversity and Ecology**

MSc and PhD degrees in Biomedical Sciences, as well as the PhD in Biodiversity and Ecology encompass classroom training and a strong laboratory-based research component. In contrast, the MSc in Molecular Biology and Biomedicine does not involve laboratory-based research. The MSc in Biodiversity and Ecology offers a research-based or a literature-based thesis. Applicants who join this programme will be offered one of these two options upon acceptance to the programme.

Students who apply for a laboratory-based research degree are strongly encouraged to contact departmental faculty members prior to their application process in order to discuss the possibility of securing a laboratory position for thesis research and to be able to better select which laboratory best fits their interests. Upon acceptance to the laboratory-based research degrees, all students should have already identified a faculty member that would be prepared to supervise them for the laboratory component of their research work.

Candidates who meet the necessary requirements will be called for an interview.

For further information please contact the Department's Secretary:

Mrs. Anna Christou

Tel.: 22 892894, Email annac@ucy.ac.cy

Further information for the Department's research activities can be obtained from the Department's website <http://www.ucy.ac.cy/biol/en/>
