<p align="center">“The EEA and Norway Grants Fund For Youth Employment”</p> <p>The objective of this call is to support transnational project initiatives that promote sustainable and quality youth employment. The target group of the Fund is young people between 15 and 29, with a special focus on the 25-29 year olds. This call seeks to complement existing EU funding on youth employment initiatives. The Fund aims to advance new and innovative solutions that focus on the specific needs of the target groups listed above. Activities and outputs within projects may happen on several levels, both systemic and personal.</p> <p>Eligible applicants: Each project must include one lead partner and at least one beneficiary partner. Eligible lead partner are entities established in a Beneficiary State, eligible beneficiary partners are entities established in a Beneficiary State, Ireland, Italy or Spain. Expertise partners can be any eligible entity established in a Donor State, in a non-eligible EU Member State or international organisations. Beneficiary States are: Estonia, Latvia, Lithuania, Poland, Czech Republic, Slovakia, Hungary, Slovenia, Croatia, Romania, Bulgaria, Greece, Cyprus, Malta and Portugal.</p>	<p align="center">01/08/2017</p>

<p align="center">Horizon 2020 – Societal Challenges: Smart, Green and Integrated Transport – “Support for the organisation of the Transport Research Arena 2020 Conference” - MG-8-8-2017</p> <p>The call aims to prepare and provide support to the Transport Research Arena Conference (TRA) to be organised in 2020. The objective of the conference is to provide a platform for discussion of political, industrial, research and policy issues on a European and global scene, which pursues a smart combination of top-down and bottom-up approaches. The event should address the technological and industrial developments of the transport sector (road, rail, waterborne and aviation sectors and also cross-modal aspects) providing a high-level, future oriented perspective coming from policy, the industrial and research communities, in response to Europe’s social needs and expectations. The action will support the overall organisation of TRA 2020 and will therefore contribute to a wide dissemination of the results of European transport research and will raise the visibility and weight of the EU policy in the field.</p> <p>Eligible applicants: Legal entities established in the EU Member States, or in an associated country to the Horizon 2020 programme.</p>	<p align="center">26/09/2017</p>
<p>More information: http://ec.europa.eu/research/participants/portal4/desktop/en/opportunities/h2020/topics/mg-8-8-2017.html</p>	
<p align="center">“European Green Capital 2020 / European Green Leaf 2019 Awards”</p> <p>The Awards aim to support the goals set out most recently in the Urban Agenda for the EU-Pact of Amsterdam, signed in 2016. The objectives of the European Green Capital Award are to reward cities that have a consistent record of achieving high environmental standards, encourage cities to commit to on-going and ambitious goals for further environmental improvement and sustainable development and provide a role model to inspire other cities and promote best practice and experiences in all other European cities. The objectives of the European Green Leaf Award are to recognise cities that demonstrate a good environmental record and commitment to generating green growth, to encourage cities to actively develop citizens’ environmental awareness and involvement and to identify cities able to act as a ‘green ambassador’ and to encourage other cities to progress towards a better sustainability outcomes.</p> <p>Eligible applicants: For the European Green Capital 2020 award eligible are applicant cities from EU Member States, EU Candidate Countries, Iceland Liechtenstein, Norway and Switzerland, that have more than 100,000 inhabitants. In countries where there is no city with more than 100,000 inhabitants, the largest city is eligible to apply. Applicant cities from EU Member States, EU Candidate Countries, Iceland, Liechtenstein, Norway and Switzerland, that have between 20,000 and 99,999 inhabitants. In countries where there is no city with more than 20,000 inhabitants, the largest city is eligible to apply.</p>	<p align="center">18/10/2017</p>

CALLS FOR TENDERS

TITLE AND DESCRIPTION OF THE TENDER	DEADLINE
<p>"Support to the Commission and Member States on EU ETS monitoring, reporting, verification and accreditation" - CLIMA.C.2/SER/2017/0007</p> <p>This invitation to tender aims to support the Commission and Member States in the further implementation of harmonised and cost-effective EU ETS (European Union Emissions Trading System) monitoring, reporting, verification and accreditation (MRVA). In particular this call will cover relevant improvement of Commission published guidance, templates and tools, assistance regarding ad hoc technical enquiries, secretariat support to the Compliance Forum (2018) and EU ETS compliance cycle evaluation and follow up.</p> <p>Eligible applicants: All natural and legal persons coming within the scope of the Treaties.</p>	10/07/2017
<p>More information: https://etendering.ted.europa.eu/cft/cft-display.html?cftId=2535 (2017/S 100-197639)</p>	
<p>"Study on pilot project on digital skills: new professions, new educational methods, new jobs" - SMART 2016/1006</p> <p>The overall objective of the study on pilot project on digital skills: new professions, new educational methods, new jobs is to engage and empower people to use technology with confidence and acquire the digital skills, know-how and capabilities that will make them more competitive in the modern labour market.</p> <p>Eligible applicants: All natural and legal persons coming within the scope of the Treaties.</p>	12/07/2017
<p>More information: https://etendering.ted.europa.eu/cft/cft-display.html?cftId=1900 (2017/S 103-204833)</p>	
<p>"Tracking of research results." - 2017/RTD/J5/OP/PP-05381-2017/TRR</p> <p>This invitation to tender covers a study concerning the design of methodologies and the development of new means for tracking research results that occur after the contractual period of the EU-funded projects has ended, in this way enriching and complementing its existing project results repositories. The present tender therefore aims at tapping into and collecting the best quantitative and qualitative data and information about the outputs, outcomes and impacts of the funded research projects, and endeavours to determine the impacts that the research results might have in the medium and long term.</p> <p>Eligible applicants: All natural and legal persons coming within the scope of the Treaties.</p>	11/08/2017
<p>More information: https://etendering.ted.europa.eu/cft/cft-display.html?cftId=2524 (2017/S 104-206879)</p>	

PARTNER SEARCHES

PROGRAMME	TITLE OF THE PROJECT/ DESCRIPTION	COORDINATOR	DEADLINE
Interreg Europe	The project aim is to inventory best practices and regulatory measures to tackle and reduce the food waste. The project thus has a preventive character – the best waste is the waste that is not produced – recycling aspects will however not be neglected, but they will be dealt with from the consumer's point of view. The project also aims at developing new forms of economic activities thus creating new jobs.	Nepim Network Belgium	expression of interest 01/06/2017 submission 30/06/2017
