

## **Auditor & Accountant Positions - FINCAP Advisers**

### **Company Profile:**

FINCAP Advisers is a boutique financial advisory firm that was founded in late 2016 and has been created to service mainly Financial Services, FINTECH/REGTECH and Regulated entities.

FINCAP Advisers aims to offer turnkey tailored services to regulated entities offering licensing and post-licensing services across all renowned jurisdictions. FINCAP has commenced operations with offices in Cyprus (Nicosia and Limassol), Mayfair in London, Yangon in Myanmar and Hong Kong and aims to cater to the needs of Investment Firms, Investment Funds (AIFs of all kinds including Hedge Funds, Private Equity Funds, Real Estate PE Funds and UCITS), Payment Institutions, Electronic Money Institutions, Fund Managers (AIFMs as well as non-AIFMD authorizations) Public Authorities, Online/Hi-tech merchants, Reg-tech / Fin-tech entities, Online Gaming companies across multiple jurisdictions.

Post-licensing services include External and Internal audits, Compliance and AML Compliance, Risk Management, ICAAP, FATCA/CRS support, Corporate Advisory, Accounting, Tax & VAT optimization, Executive Seminars, Executive Recruitment Services and Fund Administration inter alia.

### **Career Opportunities:**

#### Auditor

FINCAP Advisers is seeking to recruit a passionate and self-motivated Auditor, to be based in our office in Nicosia. As a member of the Audit team, the successful candidate will have the opportunity to work in a huge variety of engagements including conducting an audit for various clients, reviewing clients' financial statements, ensuring work is prepared in accordance with professional standards, reporting results of work performed to senior staff, and assisting in the preparation of tax computations and tax returns.

If you are an ambitious graduate with excellent written and spoken knowledge of Greek and English, strong problem-solving skills, strong organisational and time management skills, and an attention to deliver quality results then this might be the opportunity for you.

#### Accountant

FINCAP Advisers is seeking to recruit a passionate and self-motivated Accountant, to be based in our office in Nicosia. As a member of the Accounting team, you will be responsible for various duties such as preparing assets, liability and capital account entries by compiling and analyzing account information, preparing management accounts, documenting financial transactions, maintaining accounting controls, reconciling financial discrepancies, producing reports, and developing business processes and accounting policies to strengthen internal controls.

If you are an ambitious graduate holding a Bachelor's degree in accounting or finance who possesses an analytical mind, excellent written and spoken knowledge of Greek and English, is comfortable with working under pressure and performing multi-tasking activities, then this might be the opportunity for you.

The Company offers an attractive remuneration package based on qualifications and experience, including flexible working hours as well as excellent opportunities for career development and advancement. Furthermore, the Company offers full financial assistance for ACCA trainees of their tuition and exam entry fees, subject to furnishing acceptable evidence of payment.

To apply for the Auditor and In-House Accountant vacancy, applicants can send their CV to [hr@fincap.com](mailto:hr@fincap.com).
