*BPA 251, BPA 131 and BPA435 exempt the students from Business Strategy and Technology of ACA

**AFN 222 and AFN321 exempt the students from Financial Management of ACA.

*****Business Depth in Finance:** The students must attend 9 courses in total. 6 courses must be in Finance, out of which one course can be AFN411 which is an accounting course and gives the exemption of F9 from ACCA. The rest 3 courses can be any courses from the School of Economics and Management, or Finance. If the students want maximum exemptions from ACCA or ACA they can choose 3 accounting courses. (eg AFN314, AFN312, AFN318). AFN314 exempts the students from F4 of ACCA or Law of ACA. If AFN312 is selected together with AFN318, the students are exempted from F5 of ACCA and from Business, Technology and Finance of ACA.

**** **Business Breadth:** The students must attend 7 courses in total. The obligatory courses are (a) BPA346 and (b) 2 accounting courses as a minimum. The rest 4 courses can be any courses from the School of Economics and Management, other than Finance. If the students want maximum exemptions from ACCA or ACA they can choose 6 accounting courses in total. (eg AFN 417, AFN319, AFN419, AFN311, AFN418, AFN410)

AFN 417 exempts the students from Audit and Assurance of ACA. If AFN 417 is taken together with AFN 318, the students are exempted from F8 of ACCA and Assurance of ACA.

AFN 319 exempts the students from Tax Compliance of ACA. If AFN 319 is taken together with AFN 419, the students are exempted from F6 of ACCA and Principles of Taxation of ACA.

If AFN311 is taken together with AFN418, the students are exempted from F7 of ACCA and Financial Accounting and Reporting of ACA.

AFN410 exempts the students from Business Planning: Banking of ACA.

Therefore, the students can take all 9 exemptions of ACCA and 12 exemptions from ACA if they choose the 9 accounting courses: AFN312, 314, 318, 417, 319, 419, 311, 418, 410.
