

Our practice was established in 2003. Completed projects include Cultural Institutions, Educational, Urban Design, Housing and Single Residences. We have been awarded four First prize awards and several recognitions in international and local architectural competitions. We were also selected to present our work at the Cyprus Pavilion at the Venice Architecture Biennale in 2006 and also co-curated the Cyprus Pavillion in 2008. We have received the State Architecture Award in 2019 and have also been nominated for the European Mies Van de Rohe Architecture Award on six occasions. Our projects have been published extensively in the local media and abroad.
