Professor

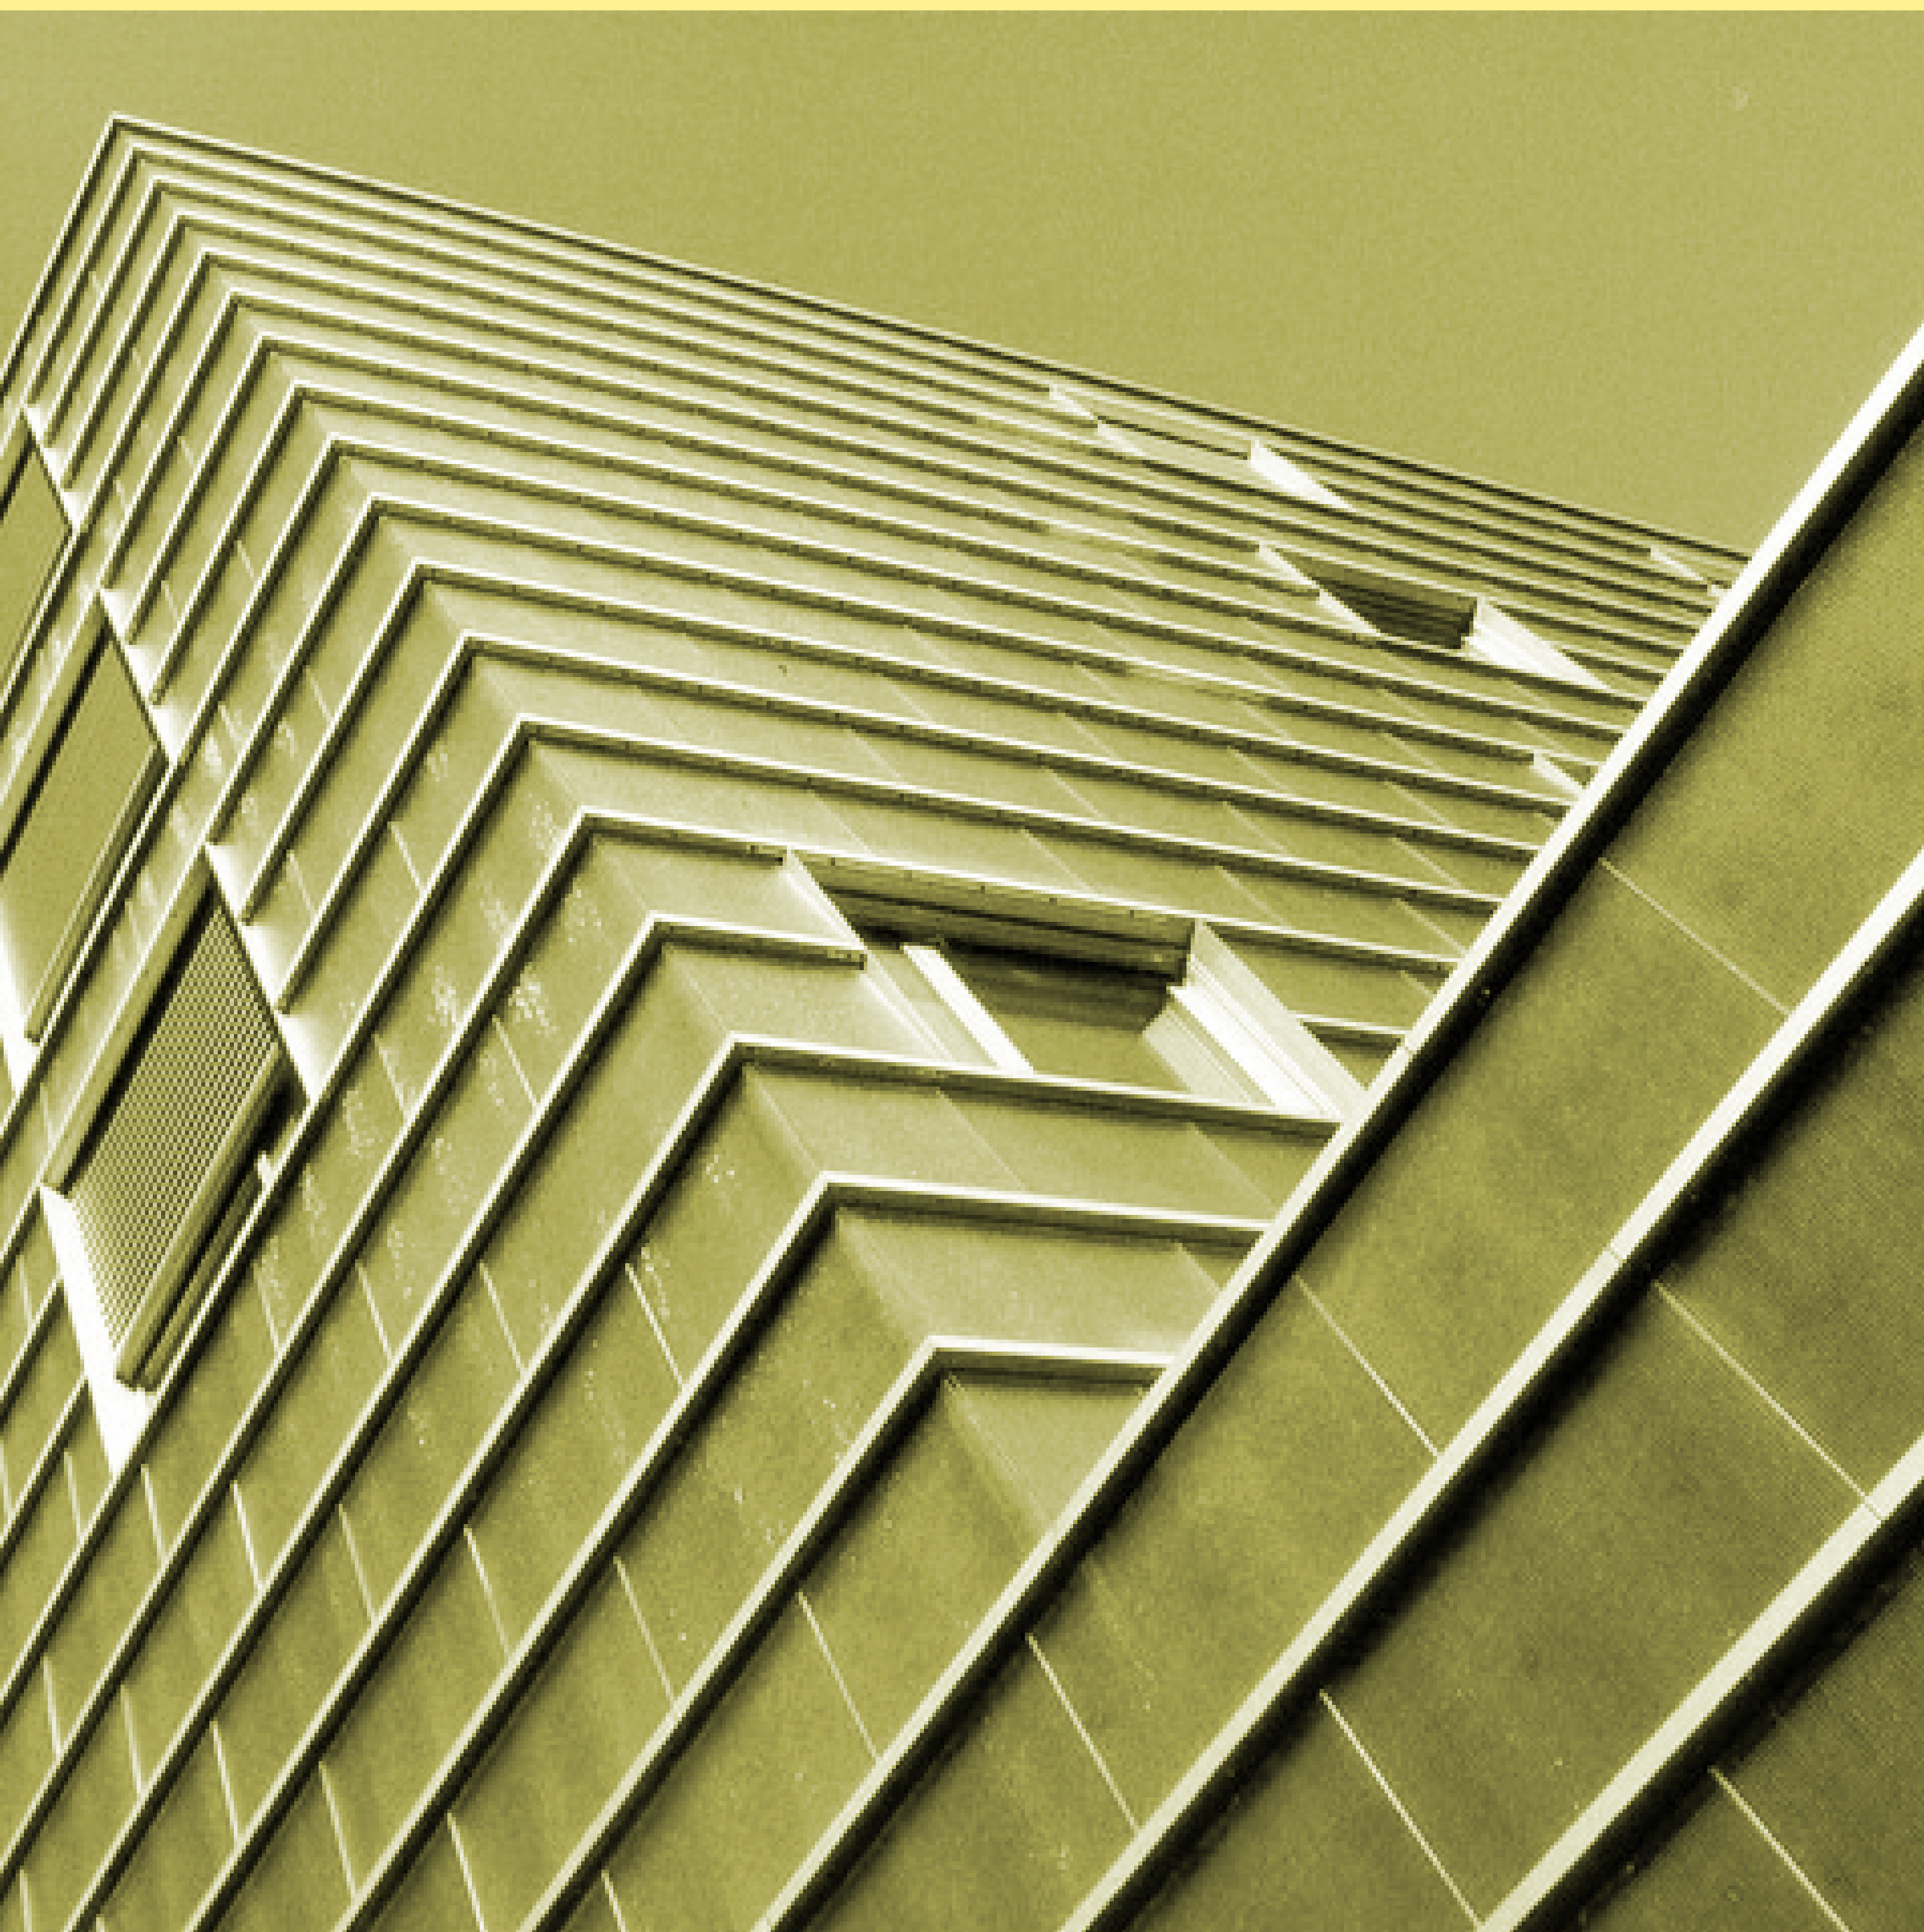

Technical University of Munich

## 22.09.2022

19:00-20:30 [EEST]

## Material Matters

The lecture evokes the importance of materials in architectural creation based on the production of LorenzMusso architects.

Florian Musso was born 1956 in Köln/D. He received his Diploma in Architecture at Universität Stuttgart 1982 and has been, from 1982-87, a scientific assistant at RWTH Aachen, ETH Lausanne and ETH Zürich. In 1987 he opened an architectural practice with Claudine Lorenz in Sion/CH (today in München/D as well). He held a teaching assignment for construction and materials at EIA Fribourg/CH and was a visiting critic at the University of Pennsylvania, Philadelphia USA from 1999-02 and the University of Arizona, Tucson USA in 2006. From 2002-22 he held the chair for construction and materials at the architectural faculty of TU München and is visiting critic at the University of Cyprus this autumn.
