## **POSTGRADUATE PROGRAMME PLACES FOR THE ACADEMIC YEAR 2022-2023**

The University of Cyprus announces that it will be accepting applications for the following postgraduate programmes beginning in **January 2023**, by **Monday 31<sup>st</sup> of October 2022 until 12 noon.**

### **1. DEPARTMENT OF ACCOUNTING AND FINANCE**

Fifteen (**15**) places for the postgraduate programme leading to a Master's or a PhD degree are distributed as follows:

- **10** places at the **Master's** level in **Finance**
- **5** places at the **PhD** level in **Finance**

**For further information, please contact the Department's Secretary:**

Tel: 22 893641, 22 893605, Fax: 22 895475, email: [afn@ucy.ac.cy](mailto:afn@ucy.ac.cy)

Webpage: [https://www.ucy.ac.cy/afn/programmes-of-study/postgraduate\\_programmes/?lang=en](https://www.ucy.ac.cy/afn/programmes-of-study/postgraduate_programmes/?lang=en)

### **2. DEPARTMENT OF ARCHITECTURE**

Sixteen (**16**) places for the postgraduate programmes leading to a Master (M.Sc & M.Eng) and a PhD degree are distributed as follows:

- Eight (**8**) places at the PhD level for the postgraduate programme in Architecture\*

The specializations of the programme are in the following areas:

- Architectural History and Theory
- Architectural Design and Theory
- Digital Communication Media
- Architectural Technology
- Urban Design
- Energy and Environmental Design

- Eight (**8**) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (M.Sc & M.Eng.) level in **“Energy Technologies and Sustainable Design”**.

\*The candidates for the PhD programme should be graduates of a Diploma in Architecture (5 years degree) or a Master (M.A. or M.Sc.) in a domain of Philosophy, Social Science, Fine Arts, Applied Arts, Civil Engineering, Environmental Engineering, Electrical and Computer Engineering, Computer Science, Economics and Management.

Candidates for the master programmes must hold a university degree in a relevant science or engineering from the University of Cyprus or other accredited university in Cyprus or abroad.

**For further information, please contact the Secretary of the Department:**

Tel: 22 892980, Fax: 22 895056, e-mail: [Architecture@ucy.ac.cy](mailto:Architecture@ucy.ac.cy), Departments Website: [www.ucy.ac.cy/arch/en/](http://www.ucy.ac.cy/arch/en/)

### **3. DEPARTMENT OF BIOLOGICAL SCIENCES**

Thirteen (13) positions are available for the postgraduate programme which leads to obtaining a Master's or a *Ph.D.* degree as follows:

- 7 positions at the **Master's level**
- 6 positions at the ***Ph.D.* level**

The postgraduate programmes of the Department of Biological Sciences are offered **only** in the English language.

**Master Programmes (M.Sc.):**

- **Master's level in Molecular Biology and Biomedicine**
- **Master's level in Biomedical Sciences**
- **Master's level in Biodiversity and Ecology**

**Ph.D. Programmes:**

- ***Ph.D.* level in Biomedical Sciences**
- ***Ph.D.* level in Biodiversity and Ecology**

*M.Sc.* and *Ph.D.* degrees in Biomedical Sciences, as well as the *Ph.D.* in Biodiversity and Ecology encompass classroom training and a strong laboratory-based research component. In contrast, the *M.Sc.* in Molecular Biology and Biomedicine does not involve laboratory-based research. The *M.Sc.* in Biodiversity and Ecology offers a research-based or a literature-based thesis. Applicants who join this programme will be offered one of these two options upon acceptance to the programme.

Students who apply for a laboratory-based research degree are strongly encouraged to contact departmental faculty members prior to their application process, in order to discuss the possibility of securing a laboratory position for thesis research and to be able to better select which laboratory best fits their interests. Upon acceptance to the laboratory-based research degrees, all students should have already identified a faculty member that would be prepared to supervise them for the laboratory component of their research work.

Candidates who meet the necessary qualifications will be called for an interview.

**For further information please contact the Department's Secretary:**

Ms. Anna Christou  
Tel.: +357 22 892894, Email [annac@ucy.ac.cy](mailto:annac@ucy.ac.cy)

Further information on the Department's research activities can be obtained at the Department's website <http://www.ucy.ac.cy/biol/en/>

#### **4. DEPARTMENT OF BYZANTINE AND MODERN GREEK STUDIES**

Twenty-three (23) positions for the Graduate Program of Modern Greek Studies distributed as follows:

##### **Master's in modern Greek Philology: Fifteen (15) positions**

Potential candidates for the Master's level graduate program must hold a university degree in a related academic field, from an accredited university in Cyprus or abroad, and with a grade of 7 and above (on a 1-10 scale). In addition to Modern Greek, they should have very good knowledge of at least one foreign language. For more information on the admission criteria and instructions for submitting an application, please consult the relevant section below.

##### **Doctorate (Ph.D.) in Modern Greek Philology: Eight (8) positions**

Potential candidates for the Doctoral level graduate program must hold a master's degree in Modern Greek Studies or a related academic field, from an accredited university in Cyprus or abroad, and with a grade "Excellent" or "Very Good." In addition to Modern Greek, they should have very good knowledge of at least one foreign language. For more information on the admission criteria and application instructions please consult the relevant section below.

Candidates for the Doctoral level graduate program are advised to consult the Program's website and study the faculty's academic profiles.

<https://www.ucy.ac.cy/bmg/personnel/academic-staff/?lang=en>

Candidates are encouraged to communicate with a faculty member who could potentially serve as their dissertation advisor, according to each student's research interests.

##### **Admission Criteria and Instructions for submitting an application**

Applications to all Graduate Programs in the Department, must be submitted electronically, through the Graduate School's Electronic Application System at the University of Cyprus which can be found here:

[https://applications.ucy.ac.cy/postgraduate\\_appl/MNG\\_USER\\_en.login\\_frm](https://applications.ucy.ac.cy/postgraduate_appl/MNG_USER_en.login_frm)

Along with their application, candidates must submit the following:

1. An updated and complete Curriculum Vitae
2. Certified copies of their degrees and their grade transcripts. More specifically, applications for the Master's Program must include a certified copy of the candidate's Bachelor's degree—or an official verification that confirms that the candidate will have graduated before beginning their studies in the Program—and a certified copy of their grade transcripts (BA). Applications for the Doctoral Program must additionally include a certified copy of the candidate's Master's degree and a certified copy of their Master's grade transcripts.
3. Statement of Interests (500 words or two-pages), which outlines the reasons why the candidate wishes to apply to the graduate program and describes his/her aim and future plans.
4. Preliminary Research Proposal (only for Doctoral applications, around 1,500 words).
5. Essay sample. More specifically, in the case of candidates for the Master's Program, one seminar paper and, in the case of candidates for the Doctoral Program, a copy of their Master's thesis (or a published article). If the Master's Program they graduated from did not require the submission of a thesis, candidates can alternatively submit two seminar papers or a published article.
6. Two recommendation letters for candidates applying to the Master's Program / Three recommendation letters for candidates applying to the Doctoral Program. Candidates must submit

the names and addresses of referees directly through the Electronic Application System. Please note that only one of the referees can be a faculty member in the Department of Byzantine and Modern Greek Studies at the University of Cyprus

7. Language Certificate that confirms the knowledge of the additional foreign language stated by candidates in their application. Graduates who hold degrees from Universities where the language of instruction is not Greek, are not required to submit a Language Certificate.

**Forty five (45)** places for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Twenty five (**25**) places for the postgraduate programme of **Civil Engineering** are distributed as follows:

- Twenty (**20**) places are available at the **Master's** level in **Civil Engineering (MSc, MEng)** distributed as follows in the 4 disciplines:
  - **Earthquake Engineering and Structural Analysis (5 places)**

- **Novel and Traditional Building Materials (5 places)**
- **Geotechnical Engineering (5 places)**
- **Construction and Transport Infrastructure Management (5 places)**

- Five **(5)** places are available at the **PhD** level in **Civil Engineering**.

(b) Ten **(10)** places for the postgraduate programme of **Environmental Engineering** are distributed as follows:

- Five **(5)** places are available at the **Master's** level in **Environmental Engineering (MSc, MEng)**
- Five **(5)** places are available at the **PhD** level in **Environmental Engineering**

Please, note that, from September 2023, the graduate programs of the Civil and Environmental Engineering Department (teaching, educational material, dissertations, projects, etc.) will be offered in the English Language for all enrolled students (regardless of their enrollment year and specialization).

\* Applications are evaluated by the Committee of the Postgraduate Program, which proposes recommendations to the Councils of the respective departments, which are responsible for the final approval of students admitted.

(d) Ten **(10)** places for the Joint Postgraduate Programme of the Faculty of Engineering at **Master (M.Sc & M.Eng)** level in "**Energy Technologies and Sustainable Design**" which are distributed as follows:

- Ten **(10)** places at the **Master's** level in **Energy Technologies and Sustainable Design**

**SCHOLARSHIP FOR THE PhD PROGRAMME:**

The KIOS Research and Innovation Center of Excellence (CoE) calls for applications for five (5) full-time PhD scholarships. These scholarships are addressed only to new applicants for admission in January 2023.

The successful applicants will be enrolled in either the **Electrical Engineering** or the **Computer Engineering** PhD programme of the Department of Electrical and Computer Engineering and they will conduct their research at the facilities of the KIOS CoE in one or more thematic areas of the Center.

**Scholarship Terms:**

The scholarship will be for one year and may be renewed annually, based on performance, for 3-5 years. It includes the University tuition fees and a gross monthly salary starting at €1250. The 13th salary bonus is incorporated in the monthly salary. Maternity leave will be granted based on Social Insurance Laws from 1980 until 2012.

For additional information please visit <http://www.kios.ucy.ac.cy/index.php/employment-opportunities.html>

*In addition, potential PhD candidates are encouraged to get in contact with research group leaders and faculty in other areas of Electrical and Computer Engineering, since there are frequently full-time and part-time PhD candidate salaries funded from competitive research grants. These funded PhD positions may cover areas such as Power Systems, Chip Design, Telecommunications, Biomedical Engineering, Photonics, Microwave Engineering, etc.*

**13. DEPARTMENT OF ENGLISH STUDIES**

**One (1) place** is available for the **PhD programme in Linguistics** offered by the Department of English Studies.

The position for the **PhD in Linguistics** is announced for the fields of **Theoretical Linguistics** and, more specifically, for the following research areas:

- The syntax and morphology of English
- Comparative grammar, grammatical theory (syntax and morphology)

Applicants are strongly encouraged to contact the programme co-ordinator, Prof. Kleanthes K. Grohmann ([kleanthi@ucy.ac.cy](mailto:kleanthi@ucy.ac.cy)).

**Admission Requirements and Application Submission Guidelines**

**Applicants for admission to the PhD programmes** of the Department are expected to hold an MA in a relevant field of study from a recognized university in Cyprus or abroad.

Further, all applicants are required to be proficient in the English language (for further details, see below).

All applicants are required to submit their applications electronically, through the Online Application System of the Graduate School of the University of Cyprus that may be found in the following link:

[http://applications.ucy.ac.cy/postgraduate\\_appl/MNG\\_USER\\_en.login\\_frm](http://applications.ucy.ac.cy/postgraduate_appl/MNG_USER_en.login_frm)

Along with their electronic application form, applicants are required to submit the following:

- 1) A full CV in English.
- 2) Certified copies of degrees and academic transcripts (i.e. certified copies of their BA degree, their BA degree transcript, and their MA degree).
- 3) A Personal Objectives Essay: A brief statement of interest (500 words up to 2 pages), which describes the reasons why the applicant wants to join the particular PhD programme, his/her interests and plans for the future.
- 4) A Preliminary Research Proposal (of approximately 1,500 words) that describes the applicant's proposed research topic.
- 5) Writing samples in English (which must include a copy of the applicant's MA thesis).
- 6) Letters of recommendation: Applicants will be required to state the names and addresses of academics who will be called to submit their letters of recommendation directly to the University of Cyprus via the online system. Three letters of recommendation are required for applications to PhD programmes.
- 7) Certificate of English language proficiency. More specifically, applicants are required to demonstrate their proficiency in English by submitting an IELTS exam score of at least 6.5, or its equivalent on the basis of the Common European Framework of Reference for Languages (CEFR). Applicants with degrees from English-speaking university programmes are exempt from this requirement.

**Please note that applications and all other documents must be submitted in English.**

Also, please note that the candidates may also be required to participate in an interview in order to assess their suitability for the programme.

**Further information:**

For further information applicants may contact the secretariat of the Department of English Studies:

## **15. DEPARTMENT OF HISTORY AND ARCHAEOLOGY**

Twenty-four (**24**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

(a) Eight (**8**) places are available for the postgraduate programme in **Modern and Contemporary History** which are distributed as follows:

- 6 places at the **Master's** level
- 2 places at the **PhD** level

The candidates for the **Master** programme must be holders of a BA from recognized universities. Priority will be given to graduates of the following departments: Graduates of History, Faculty of Letters, Political Science, European Studies or Turkish Studies.

Graduates of Greek universities and the University of Cyprus must have a GPA of at least 7,0. This is also required for graduates of other universities. **The application must include two undergraduate essays or publications in Modern History.**

Good knowledge of the English language is obligatory. Knowledge of a second European language will be an advantage.

Final decision for acceptance will be made by a Committee consisting of professors of the Department – permanent teaching staff of the programme. The Committee may decide to invite the candidates for an interview and/or a written examination, regardless if they have all requirements.

The language for teaching and for writing the MA thesis is Greek. **Submit certificates of good knowledge of the English language and possible other languages.**

The candidates for the **PhD** programme should be graduates of a Master's programme in History from a recognized University. At the discretion of the Department, holders of a postgraduate title of Political Science or European Studies or Turkish Studies or any other Master's degree that satisfies the requirements of the programme, can also be accepted.

Good knowledge of the English Language is mandatory. Knowledge of a second European language will be considered an advantage. **The application must include a copy of the MA thesis. Additionally submit certificates of good knowledge of English.**

Candidates will be chosen following a personal interview and possibly a written examination.

(b) Ten (10) places are available for the postgraduate programme in **Ancient History** which are distributed as follows:

- 8 places at the **Master's** level
- 2 places at the **PhD** level

Admission to the MA programme in Ancient History is open to holders of a BA from the Department of History and Archaeology of the University of Cyprus or from corresponding departments in Greek universities and other recognized universities abroad, with a grade the equivalent of 6.5 or above, as well as holders of a BA from the Department of Classics and Philosophy of the University of Cyprus, from Departments of Classical Philology in Greek universities, as well as from analogous departments in other recognized universities abroad, with a grade the equivalent of 6.5 or above.

Candidates for the PhD should hold an MA in the field of Ancient History from the University of Cyprus or from a recognized university abroad.

Alternatively, they can hold an MA in Classical Archaeology from a university abroad or from the postgraduate programme in Mediterranean Archaeology from the University of Cyprus. Every candidate must submit a CV with any pertinent publications along with a brief description, up to 3 pages (in Greek or, in the case of foreigners, in an international language), of the topic to be covered in the proposed PhD dissertation. If the topic stems from the MA thesis, the candidate should describe the thesis in detail. The Examining Committee will decide on admissions following interviews. The Examining Committee consists of 4 members (two instructors in Ancient History from the Department of History and Archaeology of the University of Cyprus and two Professors from the Faculty of Letters of the University of Cyprus).

## **16. DEPARTMENT OF MECHANICAL AND MANUFACTURING ENGINEERING**

Fifty three (**53**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

- (a) Thirty five (**35**) places for the Postgraduate Programme in Mechanical and Manufacturing Engineering:
- Eight (**8**) places at a **MSc** level in **Mechanical and Manufacturing Engineering**
  - Eight (**8**) places at a **PhD** level in **Mechanical and Manufacturing Engineering**
  - Nineteen (**19**) places at **MEng** level in **Mechanical and Manufacturing Engineering**

### **Research Areas**

- Biomedical Engineering
- Computational Mechanics of Solid and Fluids
- Design, Manufacturing, Automation and Robotics
- Energy Systems
- Mechanical Systems Modelling and Controls
- Micro- and Nano-Technology

- (b) Nine (**9**) places for the postgraduate Programme in Materials Science and Technology
- Five (**5**) places at a **MSc in Advanced Materials and Nanotechnology**
  - Five (**4**) places at a **PhD level in Advanced Materials and Nanotechnology**
- (c) Nine (**9**) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (**M.Eng, MSc**) level in “**Energy Technologies and Sustainable Design**” which are distributed as follows:
- Nine (**9**) places at the **Master's** level

You should also state, on this section at Step 11 whether you are interested in working as a Teaching Assistant during the first year of your graduate study.

Fifteen (**15**) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

- **11** places at the **Master's** level
- **5** places at the **PhD** level

The research interests of the Departmental staff are:

- Gravitation and Cosmology
- Theoretical and Experimental Nuclear Physics
- Theoretical and Experimental High Energy Particle Physics
- Photonics, Lasers and Optoelectronics
- Theoretical and Experimental Condensed Matter Physics
- Theoretical and Computational Biophysics

## **18. DEPARTMENT OF SOCIAL AND POLITICAL SCIENCES**

Twenty-eight (**28**) places for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

### **Master's Programs:**

- **15** places at the **Master's** level in **Peace, Conflict & Democracy (program starts in September 2023)**
- **8** places at the **Master's** level in **Political Science** (places in **European Politics**)
- **1** place at the **Master's** level in **Political Science** (place in **International Relations**)

### **PhD Programs:**

- **2** places at the **PhD** level in **Sociology**
- **2** places at the **PhD** level in **Political Science**

The candidates for the PhD should look at the specific research interests of the teaching staff in the following link: <https://www.ucy.ac.cy/sap/people/academic-staff/?lang=en> They should contact directly a member of the faculty with whom they have similar research interests for initial guidance regarding the PhD proposal. The thesis can be written either in Greek or in English or any other international language with the prior approval of the Research Advisor. They should also prepare their application according to the specific requirements found in the following link: <https://www.ucy.ac.cy/sap/programmes-of-study/ph-d-political-science/?lang=en> and <https://www.ucy.ac.cy/sap/programmes-of-study/ph-d-sociology/?lang=en>

Selection Criteria:

- (1) Academic excellence
- (2) Originality of research proposal
- (3) Capability of member of academic staff to supervise the proposal

## **SCHOLARSHIP FOR THE MASTER PROGRAM IN POLITICAL SCIENCE**

The Department of Social and Political Sciences offers one (1) scholarship for the Master's Program in Political Science (specialization in International Relations or European Politics) in memory of the late Minister

of Defense, Tasos Mitsopoulos. The scholarship covers the study fees; these will be waived in full for the successful applicant. To be eligible for the scholarship, the applicants must be Officers of the Cyprus National Guard and prospective post-graduate students in the program (existing post-graduate students are not eligible).
