

Title: “Phanerome UCY Urban Node:City for All”

Program duration: 10.2022 – 01.2024

Coordinator: Socrates Stratis

Funding: University of Cyprus

Budget: €35.000

Description: The program focuses on the creation of an urban node that is inclusive to the residents of the neighborhood and the city. It started in December 2022 and combines actions in the public space and in the area of Phaneromeni as well as the mapping the collective practices of the residents of the area.
