

Table Tennis

Table Tennis is another sport promoted at the University of Cyprus. The students of our University participate in different competitions in Cyprus as well as abroad showing very good results.

Training will be held at the Sports Center at the University Campus.

Men's and women's table tennis internal Championships will be held at the Sports Center at the University Campus.

There are four (4) tables in the center.

Teams from the entire University of Cyprus community may take part in the internal Championships.
