Scuba Diving School for Members of the University Community

Dear members of the University Community,

The Sports Center, within the framework of the Scuba Diving team's activities, is organizing a Scuba Diving School for the members of the university community.

Purpose

To offer students, graduates, and staff of the University of Cyprus the opportunity to discover the sport of scuba diving and obtain:

- NAUI Open Water Scuba Diver
- NAUI Advanced Open Water Scuba Diver

The goal is to explore the world of scuba diving and actively participate in dives organized by the University of Cyprus Diving Team, which conducts recreational dives as well as dives with a social impact.

Participation Cost

- 225€ for students and graduates who graduated after 2023
- 255€ for graduates before 2023 and University of Cyprus staff.

Program Includes

- Attendance of online theoretical lessons
 - 6 open water dives
- Dives will take place in the Protaras or Xylofagou area

Equipment

- The scuba diving equipment will be provided at no extra course.

Certification

- Upon successful completion of the program, participants will receive a digital certification from the international diving organization NAUI.

Course Start

Courses will begin immediately once a group of 4 participants is formed.
