Το Αθλητικό Κέντρο του Πανεπιστημίου Κύπρου προκηρύσσει Εσωτερικά Πρωταθλήματα "ΕΠΙΤΡΑΠΕΖΙΑΣ ΑΝΤΙΣΦΑΙΡΙΣΗΣ (Πινγκ-Πονγκ)" για το Εαρινό εξάμηνο 2026.

The University of Cyprus Sports Center announces the Internal Table Tennis Championships for the **Spring Semester of 2026**.

The entire University Community is eligible to participate.

There will be Men's and Women's Singles Championships, and different tables will be created for each championship.

The championships will be held at the University of Cyprus Sports Center.

All matches will be held on Thursday, March 5, 2026, from 5:00 p.m. to 9:30 p.m. (qualifying rounds) and on Thursday, March 19, 2026, from 6:00 p.m. to 9:30 p.m. (final rounds). Participants must be present at the Sports Center on the specified days and times.

To be declared the winner, a player must win three sets (four sets in the final) to at least 11 points, with a minimum difference of 2 points, e.g. 11-9, otherwise the set continues until one player achieves a 2-point difference, e.g. 12-10 or 13-11, etc. The matches will be played without a referee but with an observer (championship coordinator) until the final, when there will be a referee. In case of disagreement, the observer will be asked for an opinion, otherwise the point will be repeated. The rules of the game as published on the official website of the International Table Tennis Federation (www.ittf.com) will always be followed.

The results of the matches must be reported immediately to the tournament coordinator, who will always be present and will supervise the process.

The presentation of student ID cards and University of Cyprus staff ID cards before the matches is mandatory. Athletes who do not present their ID card (not a political ID card) will not be allowed to compete.

The University Ranking will only be used for the draw and the Ladder. Previous years' performances in the University Championship will be considered where there has been previous participation.

The Sports Center expects everyone to compete fairly, within the sporting framework and with the demonstration of superior sportsmanship, contributing to the elevation of University of Cyprus sports.

The Sports Center wishes everyone "GOOD LUCK"!!!
