

## Legal Summer Internship 2026

Hadjianastassiou, Ioannides LLC invites applications for two (2) summer interns to join our firm from 15 June to 17 July 2026.

Hadjianastassiou, Ioannides LLC is a leading law firm based in Nicosia, advising on corporate and commercial law, dispute resolution, banking and finance, financial regulation, employment, intellectual property and real estate matters. Our team is involved in significant domestic and cross-border transactions, complex litigation and high-level advisory work across a wide range of industries.

We offer a structured internship programme designed to provide meaningful exposure to legal practice in a professional and supportive environment.

### Eligibility

We accept applications from second-year law students and above. While students at all eligible stages are encouraged to apply, preference may be given to candidates who are closer to graduation.

This internship is ideal for motivated students who wish to gain practical experience, deepen their understanding of the legal profession and experience the day-to-day operation of a leading law firm.

### Description of Duties

During the programme, students will have the opportunity to:

conduct legal research and analyse case law and legislation;

draft summaries, memoranda and legal research notes;

assist with the drafting and review of legal documents, including letters, pleadings, agreements and corporate documents;

accompany lawyers to court, client meetings and other professional engagements, where appropriate;

network and engage with our trainee lawyers, associates, managers and partners;

gain practical insights from partners and lawyers through workshops, presentations and structured training sessions.

The programme also includes structured training, a mock trial exercise, mentoring, and social activities.

Interested candidates are invited to apply through the 2beconnected platform of UCY by 30 April 2026. Applications will be reviewed on a first come, first served basis. For a more detailed description, please refer to the job posting on the 2beConnected platform.
