

## Observation Note

(For use in teaching and learning sessions – both tutor-led sessions and students' independent learning sessions)

Institution	Subject	Module/course unit
Reviewer	Session length hours    mins	Observation hours    mins
Level/year	Mode, eg FT/PT	Number of students
Type of activity, eg lecture, CAL	Topic	Composition of the student group

What are the specific learning objectives planned for this session (eg knowledge and understanding, key skills, cognitive skills, and subject-specific, including practical/professional skills)?

Please comment on strengths and weaknesses in relation to the learning objectives:

Prompts	Strengths	Weaknesses
Clarity of objectives		
Planning and organisation		
Methods/approach		
Delivery and pace		
Content (currency, accuracy, relevance, use of examples, level, match to student needs)		
Student participation		
Use of accommodation and learning resources		

Please summarise the session's overall quality in relation to the learning objectives:

Please indicate relevance to other aspects :
