

CURRICULUM VITAE

Maria Philokyprou, Assistant Professor, Department of Architecture, University of Cyprus

Diploma in Architecture (NTUA), M.Sc. in architectural conservation, Ph.D. in the field of traditional building materials and techniques during antiquity in Cyprus architecture

Address: Department of Architecture, University of Cyprus, P.O Box 20537 Nicosia 1678, Cyprus

Tel: +357- 22892974, **Fax:** +357-2289505, **E-mail address:** *mphiloky@ucy.ac.cy*

Date of Birth: 13th May 1967

Nationality: Greek – Cypriot

Languages: Excellent knowledge of Greek and English

RESEARCH AND TEACHING INTERESTS

Conservation and Vernacular Architecture: Architectural conservation, preservation and promotion of the built environment; Vernacular architecture of Cyprus; Environmental features of vernacular architecture; Traditional architectural technology; Analysis of traditional building materials and methods of construction; Design of new materials “friendly” to man and the environment.

EDUCATION

- 1993-2000 University of Cyprus**
Ph.D. awarded by the University of Cyprus in the field of traditional building materials and techniques in Cyprus architecture.
- 1991-1993 University of Heriot Watt – Edinburgh**
M.Sc. in Architectural Conservation (with Distinction).
- 1985-1990 National Metsovion Technical University, Athens (NTUA)**
Diploma in Architecture with Distinction (Grade 9.09/10).
- 1979-1985 Pancyprian Gymnasium**
Graduate of Science Section with Distinction (Grade 19.9/20).

DISTINCTIONS - SCHOLARSHIPS - AWARDS

- 1997 Architectural Prizes**
Europa Nostra 1997 Award for the conservation of Panayia tou Sinti Monastery – Paphos
- 1996-1998 University of Cyprus**
Scholarship by the **A.G. Leventis Foundation** for the years 1996-1997 awarded for the advancement of research in the field of ancient building materials.
Scholarship of the **Archaeological Society of Athens** for two months (1996)
- 1991-1993 University of Heriot Watt, Edinburgh**
Scholarship by the **A. G. Leventis Foundation** for the years 1992-93 awarded to graduate students for their excellent performance
Scholarship by the **Evgenides Foundation** for the year 1991-92, awarded to the graduates of the Metsovion Technical University who attain the highest grade on graduation
- 1985-1990 National Metsovion Technical University, Athens**
Demetrios Samaras Prize for the highest Diploma grade (ranked first) among the graduates of the Department of Architecture of the year 1990
Stamou K. Stourna Prize for the highest performance (ranked first) among the students of the 5th-6th and 7th-8th semesters of the Department of Architecture in the years 1987-88 and 1988-89
Honorary Scholarship-Prize of the National Scholarship Foundation of Greece for the academic years 1985-1989 for attaining the highest grade (ranked first) in each year
- 1984-1985 Pancyprian Gymnasium**
Twenty prizes for the best performance (ranked first) over the 6 years of studies as well as for attaining the highest grade among all the graduates of the Pancyprian Gymnasium on the graduation year 1985.

PROFESSIONAL EXPERIENCE

- 2015- present** **Assistant Professor**, Department of Architecture, University of Cyprus
- 2010- 2015** **Lecturer**, Department of Architecture, University of Cyprus
- 2006-2010** **Adjunct Lecturer**, Department of Architecture, University of Cyprus.
- 2001-2010** **Town Planning Officer**, Conservation Sector for Listed Buildings, Department of Town Planning and Housing, Ministry of Interior, Republic of Cyprus.
Supervision of the conservation of listed buildings, preparation of conservation orders.
- 1992-2001** **Architect in the private sector**, Design and supervision of new buildings, rearrangement of squares and open spaces of villages, survey, conservation and reuse of traditional and historic buildings.
- 1993-1996** **Postgraduate Research Assistant**, Archaeological Research Unit, University of Cyprus
Participation in the preparation of lectures and seminars given to undergraduate and postgraduate students of the University and in research programmes with relation to Cyprus architecture during antiquity.
- 1990-1991** **Associate Architect** in the Conservation Section, Department of Antiquities – Republic of Cyprus.
- 1987-1990** **Research Assistant (student)**, Archives of the Department of the History of Architecture, National Metsovion Technical University, Athens.

PART 1: RESEARCH ACTIVITIES

1. FUNDED RESEARCH PROJECTS

FUNDED RESEARCH PROJECTS SUBMITTED BY MYSELF – COORDINATOR / PRINCIPAL INVESTIGATOR

- 2013-2016** **Implementation of Sustainable Design Elements of Vernacular Architecture in the Rehabilitation of Traditional Buildings and in the Design of New Structures** (*BioCultural*).
- Programme Framework: UCY Internal Research Programs, 2012
Project Duration: 24 months & 6 months extension
Budget - Funding: University of Cyprus (UCY) Internal Research Programmes (Grant €68 000)
- Research Coordinator: M. Philokyprou, University of Cyprus
Collaborators: University of Cyprus, Department of Antiquities, Department of Town Planning and Housing, Ministry of Interior
- Role in the programme: Project Coordinator and the Principal Investigator / Researcher
Research Team: M. Philokyprou, A. Michael, A. Savvides, E. Malaktou,, S. Thravalou, C. Herakleous
- Project Website: <http://www.biocultural.ac.cy/>
Short description: The project involved the investigation of the environmental design elements of rural vernacular dwellings and settlements in the coastal, lowland and mountainous regions of Cyprus, which feature diverse topographical and climatic characteristics, as well as the preparation of suggestions for more effective methods for conservation with the maintenance and reinforcement of their bioclimatic features.

- 2012-2014 Innovative Methods of Conservation and Restoration of Bioclimatic Elements of Traditional Buildings of the Historic Centre of Nicosia (code: ANΘΡΩΠΙΣΤΙΚΕΣ/ANΘΡΩ/0609(BIE)07 (BioVernacular)**
- Project Duration: 24 months & 3 months extension
 Budget - Funding: Research Promotion Foundation (IPE-RPF), €100 000 Euro and UCY
 Project Coordinator: A. Petridou, Municipality of Nicosia
 Collaborators: University of Cyprus, Municipality of Nicosia, ICOMOS Cyprus, Frederick Research Centre
 Research Coordinator: M. Philokyprou, University of Cyprus
 Role in the project: Coordinator of the University team, Research Coordinator of the Project and Principal Researcher
 Research Team: M. Philokyprou, A. Michael, I. Ioannou, A. Petridou, A. Papadopoulou, P. Fokaidis, S. Thravalou, C. Herakleous
 Project Website: <http://www.biovernacular.ac.cy/>
 Short description: The project aimed at investigating the bioclimatic design elements of urban traditional buildings (in the walled city of Nicosia and in Kaimakli historic area, aiming at the preservation and enhancement of their passive design strategies, using innovative methods and solutions.
- 2011-2013 Establishment of a Digital Data Base for the Vernacular Architecture of Cyprus**
- Funding Agency: University of Cyprus (Start up Funding Scheme €82 000)
 Research Team: M. Philokyprou, E. Lymbourri-Kozakou, C. Argyrou. M. Oratiou
 Collaborators: University of Cyprus, Department of Town Planning and Housing, Ministry of Interior
 Role in the project: Project Coordinator and Principal Investigator
 Short description: In the framework of this project a web site (www.vernarch.ac.cy) has been created in which all the data related to the vernacular architecture of Cyprus (architectural, environmental and social) will be embodied so as to be accessible to researchers and the public.
- 2004-2007 Hydraulic Lime Mortar Mix Design Based on the Traditional Production of Ancient Mortars (code: AKIPE/0204/01)**
- Funding Agency: Cyprus Research Promotion Foundation (€85 415)
 Role in the programme: Principal Investigator (in collaboration with Ioannis Ioannou – University of Cyprus. Ioannis Ioannou was the project coordinator)
 Collaborators: University of Cyprus; Department of Town Planning and Housing; ANADOMI Co. Ltd Cyprus; PELETICO Co. Ltd, Cyprus; Democritos Research Centre Athens.
 Short description: This project constitutes a continuation of the project with code RPF 34/99 (see below). Within the framework of this programme technical specifications and directions to be followed for the proper design of hydraulic plasters “friendly” to man and the environment were drafted.
- 1999-2003 Reproduction of Hydraulic Lime Plasters and Mortars Based on the Technology of the Production of Cyprus Ancient Plaster and Mortars (code: RPF 34/99)**
- Funding Agency: Cyprus Research Promotion Foundation (€70 000)
 Role in the programme: Principal Investigator and Project Coordinator
 Collaborators: University of Cyprus; D, ANADOMI Co. Ltd, Cyprus; PELETICO Co. Ltd, Cyprus; Democritos Research Centre, Athens.
 Short description: This project was a multidisciplinary research programme (participation of a physicist, an archaeologist, a geologist, a chemist, a civil engineer, an architect and others). The aim of the programme was the reproduction of hydraulic lime plasters on the basis of the technological knowledge for the preparation of plasters and mortars in antiquity.

PARTICIPATION IN OTHER FUNDED RESEARCH PROJECTS

2017-present **Energy-Autonomous Smart Buildings and Sustainable Mobility Strategies**

Programme Framework: Interreg V-A, European Territorial Co-operation
European Commission, European Regional Development Fund (ERDF)

Call Identifier: Interreg V-A, GR-CY 2014-2020
Efficient Energy Use and Sustainable Transportation

Project Duration: 36 months

Budget - Funding: 415 100 Euro (UCY sub-budget), 2 201 100 Euro (total-budget)

Partners: Department of Public Works (coordinator); Department of Electrical and Mechanical Services, Ministry of Transport Communications and Works; University of Cyprus, Department of Architecture and Department of Civil and Environmental Engineering; Greek Ministry of Environment and Energy; Chios Municipality, University of the Aegean

UCY Research Team: A. Michael, I. Ioannou, A. Savvides, M. Philokyprou

Research Associates: A. Kyriakidis

Role in the project: Researcher, dealing with sustainability and public historic buildings

Project Website: http://ec.europa.eu/regional_policy/en/policy/cooperation/european-territorial/

Short description: The programme aims to address the challenge of a novel and innovative concept of public buildings, i.e. the creation of Positive Energy Intelligent Buildings. The outputs of the project include pilot buildings of high energy efficiency, architectural integration of renewable energy sources and charging stations that promote sustainable mobility. Moreover, the outcomes include the creation of an electronic platform for the building's energy performance monitoring and for remote real-time controlling. Finally, the project will allow the creation of manuals on methods and good practices for future energy upgrades of public buildings within the Mediterranean region, as well as in Europe. The new form of public building aims to develop awareness on sustainability, leading to economic, environmental and social benefits.

2016- 2017 **Contemporary Techniques of Conservation and Restoration of Traditional Buildings and Settlements (*EduCult*)**

Programme Framework: European Commission, Erasmus+ Programme,
Mobility for VET Learners and Staff, Action KA1.

Project Duration: 12 months

Budget - Funding: 5 250 Euro (sub-budget), 32 895 Euro (total-budget)

Role in the project: Researcher

Research Team: A. Michael, M. Philokyprou, A. Savvides

Short description: The project focused on training courses in the field of conservation and restoration of traditional buildings and is expected to have positive effects on the participants and participating organizations involved, as well as on the policy systems in which relevant activities are framed.

2009-2013 **Establishment of Research Infrastructure for the Characterization and Study of Building Materials of Monuments in Cyprus (code: NEA ΥΠΟΔΟΜΗ/NEKYII/0308/17)**

Funding Agency: Cyprus Research Promotion Foundation (€712 860)

Role in the programme: Researcher

Project Coordinator: Ioannis Ioannou, University of Cyprus

Collaborators: Department of Antiquities; Department of Town Planning and Housing; ANADOMI Co. LTD; Architectural Heritage Organization.

2010-2012 **Development and Promotion of Improved Mudbricks of Cyprus as a New Sustainable Building Material**

Funding Agency: Cyprus Research Promotion Foundation (€85 000)

Role in the programme: Researcher

Project Coordinator: CNE TECHNOLOGY LTD

Principal Investigator: Ioannis Ioannou, University of Cyprus
Collaborators: University of Cyprus; Pigmalion Ltd, ETEK.

2005-2010 Research, Documentation and Publication on Water Mills of Cyprus

Role in the programme: Researcher
Project Coordinator: Efrosini Igoumenidou
Short Description: Research programme of the University of Cyprus in collaboration with architects in the private and government sectors. This project constitutes a continuation of another project with the theme “Recording and Study of the Traditional Cyprus Water Mills” (see below).

2005-2007 Rehabimed (Réhabilitation de l' Architecture Traditionnelle Méditerranéenne)

Role in the programme: Researcher on behalf of the Department of Town Planning and Housing
Short Description: A European programme in which Spain, France, Cyprus, Egypt, Tunisia and Morocco participated. Cyprus was represented by the Department of Antiquities and the Department of Town Planning and Housing.

1998-2000 Recording and Study of the Traditional Cyprus Water Mills

Role in the programme: Researcher
Scientific Researcher: Efrosini Igoumenidou
Collaborators: University of Cyprus, “Institute of Greek Mills” in Athens.
Short Description: This work constituted part of the project “Thrace – Aegean – Cyprus” of the Ministry of Thrace – Macedonia and the Ministry of the Aegean.

1996-1998 Research on Building Materials in Ancient Monuments. Provenance, Causes of Deterioration Due to Environmental and Climatic Conditions

Role in the programme: Researcher
Collaborators: University of Cyprus; Institute of Geology and Mining of Greece; the Department of Geological Survey of Cyprus.

Organizer: Organization of World Heritage Cities, pp.1-11 (in Greek).

7. REFEREED CONFERENCE PAPERS IN WEB SITE PROCEEDINGS

1. Philokyprou, M. 2014, "Methodology of Research and Qualitative Results", *One Day International Conference for the Presentation of the Findings of the Research Program "BioVernacular"*, Nicosia, Cyprus, 21 July 2014

8. NATIONAL CONFERENCE PROCEEDINGS – FULL PAPERS (INVITED SPEAKER)

1. Philokyprou, M. 2015 "The first use of adobes in Cyprus: Matters of Provenance and Use" *Proceedings of a Scientific Conference on Sustainable and Compatible Materials for the Conservation of the Cultural Heritage*, 28-28 September, Organizers: NTUA, Research Programme ΘΑΛΗΣ-AEΙΣ (in Greek).
2. Philokyprou, M. 2014 "Continuities and Discontinuities in the Conservation of Vernacular Architecture", *Proceedings of the Scientific Conference on the Promotion of Vernacular Architecture. Methodology and Aesthetical Issues*, Lofou, Cyprus, 11-12 October 2014, Organizers: Cultural Services of the Ministry of Education and Culture (in Greek).
3. Limbouri, E. And Philokyprou, M. 2013 "Restoration of Historic and Vernacular Buildings in Cyprus. A historic overview", *Proceedings of the Symposium – Architecture of Cyprus*, Nicosia 22-24 November 2013, Cyprus, Organizers: The Cyprus Scientific and Technical Chamber (ETEK), Cyprus Committee of Byzantine Studies, Society of Cypriot Studies, Cyprus Committee of Byzantine Studies and the A.G. Leventis Scholars Association Cyprus (in Greek).
4. Philokyprou, M. 2011 "Vernacular Architecture and Contemporary Issues" *Proceedings of a two-day seminar on Teaching Subjects Related to Architectural Cultural Heritage*, Athens, Greece NTUA, May 2012 (in print – in Greek).
5. Philokyprou, M. 2009 "Architecture of Pano and Kato Pyrgos Tyllirias" *Proceedings of the conference, Tylliria. Memories, History and Archaeology*, Kato Pyrgos, Cyprus, 4-5 May 2009, pp. 441-470 (in Greek).
6. Philokyprou, M. 2006 "Hydraulic Plasters in the Cyprus Watermills" *Proceedings of the scientific Meeting, Water in Traditional Energy Systems of the Aegean, Thrace and Cyprus*. Institute of Greek Mills, Nicosia, 17-18 June 2000, pp. 151-159 (in Greek).
7. Philokyprou, M. 2004 "Historic Review of the Use of Building Stone in Cyprus", *Proceedings of the seminar, Stone in the Modern Building Industry*, Nicosia 27 November 2004. Organizers: Department of Geological Survey, University of Cyprus, Technical Chamber of Cyprus, pp. 1-15 (in Greek).
8. Philokyprou, M. 2001 "Appearance for the First Time of Lime in Cyprus and its Use until the Appearance of Hydraulic Plasters", *Proceedings of the Seminar Lime and Lime Plasters*, Nicosia, 20 Oct. 2001. Organizer: Technical Chamber of Cyprus, pp. 1-15 (in Greek).
9. Philokyprou, M. and Kalliri, E. 2001 "Preservation and Conservation of the Monastery of Panayia tou Sinti in Paphos, *Proceedings of the Conference Mild Interventions and Protection of Constructions of Historic Importance – Maintenance and Improvement of the Initial Form and Typology*, Thessaloniki, Greece, 23-25 Nov. 2001. Organizers: Committee for Monuments, Technical Chamber of Greece - Department of Central Macedonia, pp. 629-639 (in Greek).
10. Philokyprou, M., Kalliri, E., Demosthenous, M., Michaelides, P. and Kyrou, K. 2001 "Preservation and Conservation of the Church of Panayia Chrysospiliotissa in Cyprus", *Proceedings of the conference Mild Intervention and Protection of Constructions of Historic Importance – Maintenance and Improvement of the Initial Form and Typology*, Thessaloniki, Greece, 23-25 Nov. 2001. Organizers: Committee for Monuments, Technical Chamber of Greece - Department of Central Macedonia, pp. 173-184 (in Greek).
11. Philokyprou, M. and Petropoulou E., 2001 "Conservation Work Carried out at the Monastery of Panayia tou Sinti (an annex of the Kykkos Monastery)", *Proceedings of the Conference The Holy Kykkos Monastery in Relation to Archaeology and Art of the Byzantine and Post Byzantine Period*, Nicosia, Cyprus, 14-16 May 1998. Organizer: Kykkos Monastery Museum., pp. 415-435 (in Greek).

12. Philokyprou, M. 1998 "The Use of Building Stone in Cyprus during the Prehistoric Period", *Proceedings of the Seminar Building Stone*, Nicosia, 19 June 1998. Organizers: Geological Department, University of Cyprus and the Department of Antiquities, pp. 93-106 (in Greek).

9. NATIONAL CONFERENCES WITHOUT PROCEEDINGS (INVITED SPEAKER)

1. Philokyprou, M. 2014 "Bioclimatic Aspects of Vernacular Architecture" Scientific Conference "Ευφρόσυνα Έργα", in Honor of Professor Euphrosyne Egoumenidou, Nicosia, Cyprus, 26-27 November 2014. Organized by the Department of History and Archaeology, University of Cyprus.
2. Philokyprou, M. 2007 "Design and Construction of a New Monastery Complex Adjacent to the Historic Monastery of Ayios Nicolas in Orounda", scientific one-day seminar *Mediterranean Medieval Places of Pilgrimage. Network for the Documentation, Preservation and Enhancement of Monuments in the Euro-Mediterranean Area*, Istanbul, Turkey, 2 July 2007. Organizers: Koc University, Research Center for Anatolian Civilizations.
3. Philokyprou, M. 2007 "Characterization of Ancient Lime Plasters", scientific one-day seminar *Mortars Used in Restoration Conservation of Ancient Monuments and Traditional Buildings*, Nicosia, Cyprus, 23 June 2007.
4. Philokyprou, M. 2005 "Traditional Urban Architecture of Cyprus" Rehabilitation of the Urban Landscape, Nicosia, Cyprus, 7-14 Nov. 2005. Organized by RehabiMed and the Department of Antiquities.
5. Philokyprou, M. 2005 "Alterations and Additions to Traditional Buildings. Principles of Intervention", one-day seminar *Embodying of New Buildings in the Built and Physical Environment*, Paphos, Cyprus, 8 October 2005. Organized by the Ministry of Interior – Department of Town Planning and Housing.
6. Philokyprou, M., Maniatis, I., Charalambides, A., Xenophonots, C., Kyriakou, K. and Papadouris, Gl. 2003 "Analysis of Hydraulic Plasters from Cyprus and Replication Experiments" (poster presentation), *4th Symposium on Archaeometry of the Hellenic Society of Archaeometry*, Athens, Greece, 28-31 May 2003.
7. Philokyprou, M. 2003 "Hydraulic Lime Plasters. Reproduction for Use in Conservation Work", one-day seminar *Hydraulic Lime Plasters. Design of Plasters for Use in Conservation Work*, Nicosia, Cyprus, 24 May 2003.
8. Philokyprou, M., Maniatis, I., Charalambides, A., Xenophonots, C., Kyriakou, K. and Papadouris, Gl. 2002 "Methods of Analysis of Hydraulic Plasters. The Case of Cyprus", *8th Annual Meeting of the European Association of Archaeologists*, Thessaloniki, 24-29 Sept. 2002. Organized by the Greek Ministry of Culture and the Aristotelion University of Thessaloniki, Greece.
9. Philokyprou, M. 2000 "Methods of Analysis of Hydraulic Plasters in Cyprus Water Mills", one-day seminar *The Use of Water in Traditional Energy Systems of the Aegean from Thrace to Cyprus*, Nicosia, 17 June 2000. Organized by the Archaeological Research Unit of the University of Cyprus and the Institute of Greek Mills.
10. Philokyprou, M. 1998 "Methods of Analysis of Building Materials in Prehistoric Cyprus", *The Italian Archaeological and Archaeometric Activities in Cyprus* (Archaeology, Archaeometallurgy, Conservation and Restoration), Nicosia, Cyprus, 3-4 Sept. 1998.

10. UNPUBLISHED MATERIAL: RESEARCH PROJECTS, PROGRESS REPORTS AND DELIVERABLES AND ACADEMIC THESES

2014 Philokyprou, M., Michael, A. I. Ioannou and Thravalou, St. "Innovative Methods of Conservation and Restoration of Bioclimatic Elements of Traditional Buildings of the Historic Centre of Nicosia" BIOVERNACULAR Final Report in Greek submitted to the Research Promotion Foundation (code: ANΘΡΩΠΙΣΤΙΚΕΣ/ΑΝΘΡΩ/0609(BIE)07).

2007 Philokyprou, M. and Ioannou, I. "Hydraulic Lime Mortar Mix Design Based on the Traditional Production Technology of Ancient Mortars" KONIAMA Final Report in Greek submitted to the Research Promotion Foundation (code: AKIPE/0204/01).

2002 Philokyprou, M. "Reproduction of Hydraulic Lime Plasters and Mortars Based on the Technology of the Production of Cyprus Ancient Plaster and Mortars", YDROKONIAM Final report in Greek submitted to the Research Promotion Foundation (code: RPF 34/99)

1998 Philokyprou, M. 1998 “*Building Materials and Structures in Ancient Cypriot Architecture*”, unpublished Ph.D. Thesis in History of Architecture in Cyprus. The structures and various traditional building materials were studied in detail in situ and analysed in the laboratory using contemporary methods of analyses (chemical, X-Ray diffraction, thermal analyses, scanning electron microscope etc) in order to investigate the pyrotechnology known during the first periods of antiquity in Cyprus. In addition the role of climate, physical environment, locally available materials, religion and socio-economic conditions in architecture was examined as well as the connections and interrelations between Cyprus and neighboring civilizations.

1993 Philokyprou, M. 1993 “*Building Materials in Ancient Cypriot Architecture*”, unpublished final thesis of M.Sc., University of Heriot-Watt, Edinburgh, U.K.

PART 2: TEACHING AND ACADEMIC ADVISING ACTIVITIES

1. TEACHING EXPERIENCE –DEPARTMENT OF ARCHITECTURE, UNIVERSITY OF CYPRUS

2018- present ARH 550 Special Topics on Recording and Documenting Buildings and Sites [Diploma - Year 5, Postgraduate – Master and Phd]

Responsible for developing and organizing syllabus and course structure in collaboration with two other members of the Department. The course includes theoretical teaching as well as project works (study and survey of historic buildings) (The course is elective for students mainly of the Post Graduate Course of Conservation and Restoration of historic buildings and Structures, – as well as for students of the Department of Architecture - Diploma and Phd students - as well as post graduate students for the School of Engineering)

2018-present SYN 500 Advanced Team Project [Postgraduate - Master]

Responsible for developing and organizing syllabus and course structure in collaboration with two other members, one of the Department of Civil and Environmental Engineering and the other from the Department of History and Archaeology. The course is based mainly on the study and survey of a historic building - real case study – and the proposal for strategies for its conservation and revival) (Students of the Post Graduate Course of Conservation and Restoration of historic buildings and Structures)

2012-2015 ARH 110 Introduction to Architecture [B.Sc. 1st Semester]

Lecturer. Responsible for organizing syllabus and course structure. This course is taught in collaboration with the other staff of the Department of Architecture who give lectures in various fields. The course includes theoretical and project works. (Students: mainly of the Department of Architecture, elective to students of other departments of the University)

2011-present ARH 516 Buildings in History [Diploma - Year 5, Postgraduate – Master and Phd]

Lecturer/Assistant Professor. Responsible for developing and organizing syllabus and overall course structure. The course includes theoretical teaching as well as project works (historical critical analysis of historic buildings and conservation works - small scale design intervention) (Students: mainly of the Department of Architecture – Diploma and Phd students, elective for the School of Engineering)

2008-present ARH 311 Vernacular Architecture and Contemporary Issues [B.Sc. 6th Semester]

Assistant Professor (2015- present) Lecturer (2010-2015), Adjunct Faculty Lecturer (2008-2010). Responsible for developing and organizing syllabus and overall course structure. The course includes theoretical teaching as well as visits to traditional buildings and settlements, project works and surveys (design intervention - minor studio work). (Students of the Department of Architecture)

2006-present ARH 111. History of Architecture I [B.Sc. 2nd Semester]

Assistant Professor (2015-present), Lecturer (2010-2015), Adjunct Faculty Lecturer (2006-2010). Responsible for developing and organizing syllabus and overall course structure. The course includes theoretical teaching as well as visits to significant sites and monuments, project works and small scale surveys (Students of the Department of Architecture)

2006 ARH 211 History of Architecture II [B.Sc. Year 2, 3rd Semester]

Adjunct Faculty Lecturer (2006). Responsible for developing and organizing syllabus. The course included theoretical teaching as well as visits to significant sites and monuments, project works and small scale surveys (Students of the Department of Architecture).

2. PH.D. RESEARCH, DIPLOMA THESIS AND INDEPENDENT STUDIES, DEPARTMENT OF ARCHITECTURE, UNIVERSITY OF CYPRUS

2012 - present POL 715 M.Eng Independent Research Studies (Master of Engineering)

2011 - present ARH 501 Introduction to Diploma Thesis

2011 - present ARH 503 Diploma Thesis – Design / Studio of Advanced Design

2011 - present ARH 504 Independent Individual Studies

2010 - present ARH 602-609, Ph.D. Research

ARH 610-611 Ph.D Writing

STUDENT ACADEMIC ADVISING AND CO-ADVISING

I. Doctoral Dissertation Supervision – Main Advisor

- 2014-present “Shopping arcades in the historic centre of Nicosia. Social and Environmental Aspects”
Candidate: Eleni Malaktou (in progress) - **Honorary Scholarship prize of the UCY for the academic year 2016-2017**
- 2013-present “The impact of natural ventilation in the thermal comfort of traditional dwellings”
Candidate: Stavroula Thravalou (in progress) - **Honorary Scholarship prize of the UCY for the academic year 2015-2016**
- 2011-present “Earth as a Sustainable Building Material”
Candidate: M. Costi, (co-supervision with Ioannis Ioannou (University of Cyprus) in progress)
Honorary Scholarship prize of the UCY for the academic year 2013-2014

II. Doctoral Dissertation Supervision – Member of the advisory committee

- 2016-present “A historical analysis in the use of concrete at the sale of the neighborhood unit”
Candidate: Giannis Papadopoulos (in progress)
Advisory role: Part of the 3 member committee headed by Panayiota Pyla, UCY

III. M.Ss. in Energy Technologies and Sustainable Design – Master Thesis Supervision – Second Advisor

- 2012- 2015 “Investigation of the influence of night ventilation on indoor thermal conditions in rural vernacular architecture of Cyprus” – Student: D.Demosthenous (fist supervisor: Aimilios Michael)

IV. M.Eng. in Energy Technologies and Sustainable Design - Advanced Independent Research Project Supervision – Main Advisor

- 2012- 2015 “Bioclimatic Elements of Traditional Houses. The Case of Kapedes” - Student: E. Panayiotou
“Enviromntal Features of Colonial Buildings in Limassol, Cyprus” - Student: A. Christou
“Documentation and Evaluation of the Possitive Contribution of Natural Ventilation in the rural Vernacular Architecture of Cyprus” – Student” C. Argyrou

V. Diploma Thesis Supervision (Dipl. Arch. – M.Eng in Architecture, University of Cyprus)

- 2017-2018 P. Polyviou, E. Nastou, P. Komodromou, I. Hadjipieri (in progress)
- 2016- 2017 St. Charitou (Urban Fireworks. Framing the unexplored)
S. Yiasemi (Revival of a traditional settlement, in Kampi through activities and installations related to water)
E. Pratsi (Proposal for an athletic centre in Tamasos dam)
L. Panousopoulos (Proposal for a bird watch park in the old quarry area at Tourkovounia, Athens)

2015-2016	A. Panayiotou (“Revival of the old industrial area of Mitsero”) R. Christofi (“C.S.A: Cyprus School of Architecture”) R. Christodoulou (“Eco-tourism as an alternative type of tourism. A natural travel experience through multi-sensory perception of place”) – Awarded a Distinction in the framework of Th. Distinction Award for 2016
2014-2015	G. Pappasozomenou (“De[Constructing] Cyprus Buffer Zone. The possibilities in between”) K. Tilemachou (“Revival of an abandoned settlement via a productive procedure. The case of Parsada”) St. Chalkiadaki (“Revival of old industrial area. The case of Rethymno”) I. Hadjizorzi (“Revival and regeneration of settlements that are going to be abandoned. The case of Mesana”)
2013-2014	K. Stavrou (“Restoration and reuse of the Veregaria hotel at Prodromos”) M. Prodroumou (“Re-New the prison”)
2012-2013	T. Christou (“Mind the Gap”) S.C. Proxenu (“Preserving the past. Extending its use. Revival of an old industrial complex”) C. Christou (“Moat (Via) Pause”) M. Protou (“Adjustment of the existing dwelling infrastructures typology in the contemporary social life”) G. Anaxagorou (“Urban Knowledge”) Awarded the first prize of Theocharis Distinction Award for 2013
2011-2012	C. Argyrou (“Adaptive Atrium”) A. Verni (“Stitching the Salt Lakes of Larnaca”)

VI. Diploma Thesis Co-Supervision (2nd or 3rd Advisor)

2017-2018	R. Evangelatos, R. Spanoudi, E. Dimitriou (in progress)
2016-2017	S. Christoforou, I. Nicolaou, I. Petrou
2015-2016	E. Konstantinou, E. Pavlou, Chr. Panayi
2014-2015	D. Hadjiyiangu, Chr. Petrou
2012-2013	V. Ioannou, M. Philippou, K. Garyfallou, M. Chatziyiorgi
2010-2011	M. Constantinou (“Evolutionary and Emergence Architecture - Archaeological Site of Amathounta”)
2009-2010	A. Evripidou (“Revival of a Traditional Area in Kaimakli: A Bioclimatic Approach”)

VII. Graduate Independent Studies Supervision

Fall 2015	“Thermal Behavior of traditional building materials (earth based materials)” – student E. Malaktou (Ph.D.)
Fall 2015	“The new and the old. New conceptions and contemporary issues” – student S. Anaxagorou
Fall 2012	“Thermal Behavior of a Mudbrick Wall” - Student: M. Sanoudaki (Ph.D.) “Contemporary Issues for the Urban Microclimate. Main factors and Contemporary Interventions in the Traditional Area of Kaimakli” - Student: M. Christophi “Vernacular Urban Architecture and Bioclimatic Design. The Case of Chrysaliniotissa and Ayios Kasianos in the Old Walled City of Nicosia” - Student: M. Prodromou
Fall 2011	“Rammed Earth” - Student: M. Costi (Ph.D.)

3. SUPPLEMENTARY TEACHING AS A POSTGRADUATE ASSISTANT, UNIVERSITY OF CYPRUS

1993-1996	ARCHAEOLOGICAL RESEARCH UNIT – UNIVERSITY OF CYPRUS Participation – preparation of lectures as a postgraduate student ARC 117 Introduction to Prehistory Series of lectures to undergraduate students of the Department of Archaeology on Cypriot Architecture (under the supervision of Prof. V. Karageorghis) ARC 141 – Introduction to Environmental Archaeology Lectures on methods of analysis used for the study of building materials, given to undergraduate students of archaeology under the supervision of Dr. V. Kassianidou ARC 140 Introduction to Folk-Art – Traditional Craftsmen Lecture on the comparison of building materials and techniques used in prehistoric and traditional architecture, given to undergraduate students of archaeology under the supervision of Dr. E. Igoumenidou on the subject of vernacular architecture in Cyprus
-----------	--

4. MEMBER / Co Advisor OF MSc EXAMINATION COMMITTEES UCY AND OTHER INSTITUTIONS

- 2017** Peter Wallace, McMaster University, Department of Anthropology, University of Canada (Main Supervision – Tristan Carter, Associate Professor, on the theme Lime Plaster Use at Late Bronze Age Kalavassos-*Ayios Dhimitrios* (Cyprus): Evidence for Application-Specific Recipes and the Creation of Social Space (3 October 2017).
- 2016** D. Demothenus, (M.Sc. advisor Committee), Department of Architecture, UCY, on the Investigation of the influence of night ventilation on indoor thermal conditions in rural vernacular architecture of Cyprus, (co-advisor) May 2016.
- 2010** G. Kambourakis (M.Sc. exam Committee), Department of Civil and Environmental Engineering, UCY on the experimental investigation of the phenomenon of crystallization of salts in natural and decorative stones.
- 2009** A. Ilia (M.Sc. exam Committee), Department of Civil and Environmental Engineering, UCY on the study of the physical and mechanical properties of mortars for conservation and reconstruction.

5. MEMBER OF ACADEMIC REVIEW COMMITTEES

- 2012-present** **Department of Architecture, Frederick University**
Participation in the review committees of diploma projects
- 2011-present** **Department of Architecture, University of Cyprus**
Participation in the review committees of undergraduate courses / studios and also in the diploma projects

PART 3: PROFESSIONAL AND OTHER ACTIVITIES

1. ORGANIZATION OF CONFERENCES / SEMINARS

- 2015** **International Conference with the title *Biocultural 2015 on Sustainability in Architectural Cultural Heritage*, Crown Plaza, Limassol, 11-12 December. I was the chair of the conference and a member of the organizing and scientific committee**, Abstracts and Full Paper Reviewer; Co-organization with: Department of Antiquities; Department of Town Planning and Housing, Ministry of Interior, Supporters: Scientific and Technical Chamber of Cyprus; Cyprus Architects Association; ICOMOS Cyprus; Cyprus Architectural Heritage Organization, Sponsored by: BioCultural Research Programme, University of Cyprus; Conference Website: <http://cyprusconferences.org/biocultural2015>.
- 2014** **International Conference for the presentation of the findings of the research programme BioVernacular with invited speakers from Cyprus, Greece, Italy, Serbia and Israel, Nicosia, 21 June (the conference was organised by the research team of the programme and coordinated by myself).**
- 2013** **The Erasmus Intensive Summer School Programme 2013**, Agros Cyprus, August 4-25, 2013 with the general title “Reconfiguring Values and Knowledge for Sustainable Communities”. I participated in the Erasmus IP Faculty (meetings, discussions, teaching, organization of site visits and small trips etc.).
- 2012** **The Erasmus Intensive Summer School Programme 2012**, Agros Cyprus, August 5-26, 2012 with the general title “Reconfiguring Values and Knowledge for Sustainable Communities”. I participated in the Erasmus IP Faculty (meetings, discussions, teaching, organization of site visits and small trips etc.).
- 2007** **International scientific one-day seminar with the title “Mortars Used in Restoration Conservation of Ancient Monuments and Traditional Buildings”** (Co-organization with the Department of Antiquities and Town Planning and Housing, ICOMOS Cyprus, Cyprus Architectural Organization and the Cyprus Civil

Engineers and Architects Association). This seminar was organized for the dissemination of the results of the research programme *AKIIIIE/0204/01* with invited speakers from Cyprus, Greece and France, Nicosia, 23 June 2007.

2003 International scientific one-day seminar with the title “Hydraulic Lime Plasters. Design of Plasters for Use in Conservation Work”, (the whole seminar was undertaken by myself). This seminar was organized for the dissemination of the results of the research programme *RPF 34/99*, with invited speakers from Cyprus, Greece and Italy, Nicosia, 24 May 2003.

2. REFEREE - RESEARCH PROPOSALS AND REVIEWER IN JOURNALS

2018- present **Reviewer for the International Journal of Architectural Heritage**

2017-present **Reviewer for the Journal of Archaeological Science: Reports**

2017 **Reviewer of papers for the Monubasin 2017 International Conference**

2016-present **Reviewer for the Journal Advances in Building Energy Research (Taylor and Francis)**

2015-present **Reviewer for the Athens Journal of Architecture.**

2015-present **Reviewer for the Journal of Building Engineering (Elsevier).**

2014-present **Reviewer for the Journal Construction and Building Materials, Elsevier editor system.**

2015 **Reviewer of 20 papers for the Biocultural International Conference**

2010-2012 **Research programme *Heraklitos II* (Ph.D. Dissertation proposals)**

2011 **Research programme *Thalis***

2011 **Research programme *Archimides III***

3. PARTICIPATION IN ACADEMIC COMMITTEES AND BOARDS

2018 -present **Departmental Representative for KE.DI,MA (Center for Continuing Education)**

2017 **Member of the Scientific Committee of the 10th International MONUBASIN "Natural and Anthropogenic Hazards and Sustainable Preservation" (20-22 September 2017)**

2017-present **Representative of the Department of Architecture in the Co-ordinator Committee of the Interdepartmental Master's Programme Conservation and Restoration of Historic Buildings and Sites**

2017-present **Department of Architecture Building Premises Committee (member)**

2013-present **Department of Architecture Academic Event Committee (member)**

2013-present **Department of Architecture Library Committee (co-ordinator)**

2013-present **Department of Architecture Graduate Studies Committee (member)**

2012-present **Committee for the award of the Alpha Bank prizes for the remembrance of the occupied areas of Cyprus (*Nostos Katechomenon*)**

2012-2013 **Graduate School of the University of Cyprus Board**
Representative of the Department of Architecture on this board

2. Philokyprou, M. “History of the architecture of the Museum Pierides, Larnaca” Lecture given in the Museum of Pierides, 5 February 2016, for the dissemination of the results of students projects carried out in the framework of the postgraduate course Building in History. The event was organized by the Pierides Museum and the Cultural Centre of the Bank of Cyprus.
3. Philokyprou, M. “Bioclimatic Aspects of Vernacular Architecture” Lecture given in the framework of a seminar organized by the Tourist Guides, 25 February 2015, Conference Centre of Nicosia.
4. Philokyprou, M. “Presentation of the Book of Nasso Chrysochou with the title Cyprus Vernacular Architecture. From the rural to the urban”, Frederick University, 24 October 2014.
5. Philokyprou, M. “Continuities and Discontinuities in the Vernacular Architecture of Cyprus”, Presentation given in the series of seminars “The Engineer in Society”, Department of Civil and Environmental Engineers, University of Cyprus, 30 May 2014.

6. Philokyprou, M. "Presentation of the research Programme Biovernacular. Methodology and Results", Presentation in an open event for the dissemination of the results of the research programme BioVernacular to the inhabitants of the area under study, in the Cultural Center of Myloi, Kaimakli, 16 June 2014.
7. Philokyprou M. "Rural Vernacular Architecture" and "Urban Vernacular Architecture", Series of lectures given at the School of Tourist Guides during the Spring Semester of 2013.
8. Philokyprou, M. "The First Use of Adobe Bricks in Cyprus", Presentation given at the Theseus Street Festival on the General Theme: *Traditional Cypriot Architecture and the Use of Earthen Building Materials*, 25th May 2012, Nicosia, Cyprus.
9. Philokyprou, M. "Sustainability in Vernacular Architecture", "Social Sustainable Life and Environmental Features of Vernacular Architecture", presentations in the Erasmus Intensive Summer School Programme 2012, Agros Cyprus, August 5-26, 2012 with the general title *Reconfiguring Values and Knowledge for Sustainable Communities* (participated also in the Erasmus Faculty).
10. Philokyprou, M. "Building Stones and Mortars in Ancient Cyprus", presentation during *NARNIA* (New Archaeological Research Network for Integrating Approaches to Ancient Material Studies) Project Training Course, Nicosia 3-5 Sept. 2012 with the theme *Introduction to the Geology of Cyprus an Emphasis on the Economic Minerals on the Island Used in Antiquity*.
11. Philokyprou, M. "Vernacular Architecture of Cyprus", Lecture given within the framework of the undergraduate course of the Department of Architecture of the Nicosia University, April 2010.
12. Philokyprou M. "Rural and Urban Vernacular Architecture of Cyprus", Series of lectures given at the School of Tourist Guides during the Spring Semester of 2010.
13. Philokyprou, M. "The Role of the Courtyard in Cyprus Architecture. A Diachronical Approach", Presentation given in the Symposium on the Cyprus Courtyards, 26 May 2009, Administration Building of the Greek Bank, Nicosia.
14. Philokyprou, M. "The Diachronical Use of Traditional Materials in Cyprus", Presentation given in the series of seminars "The Engineer in Society", Department of Civil and Environmental Engineers, University of Cyprus, 17 October 2008.
15. Philokyprou, M. "Vernacular Architecture", Lecture given in the Programme of the Tourist Guides Training Course of the World Federation of Tourists (Guide Associations Regional Training Center), 25 February 2007.
16. Philokyprou, M. "Revival of the Architectural Heritage", Lecture given at the Municipality of Yeroskipos, Paphos, in June 2004 (as an Officer of the Department of Town Planning and Housing).
17. Philokyprou, M. "Stone Walls, Mortars and Plasters, Constructional Problems and Conservation Proposals", Lecture given as an invited speaker during the Annual Meeting of the Pancyprian Association of Architectural Heritage in April 2002, Nicosia.
18. Philokyprou, M. "Building Materials and Constructions in Cyprus Architecture", Lecture open to the public organized by the Archaeological Research Unit of the University of Cyprus, 1996.
19. Philokyprou, M. "Cypriot Architecture and Building Materials", Lectures given in the School of Tourist Guides, during the academic year 1993-1994, Nicosia, Cyprus.

6. CREATIVE WORK

1. Organization and Supervision of a ten days summer school of 10 students for the evaluation and documentation of traditional buildings in the settlement of Pera Orinis in cooperation with the Department of Town Planning and Housing (20-27 July 2014).
2. Participation in the Event *Researchers Night 2013*, Limassol 27 September 2013. The event aimed to familiarize the public with the local traditional building materials and their use in the architecture of Cyprus.
3. The bioclimatic aspects of Vernacular Architecture, article in the newspaper *Φιλελεύθερος*, 03.04.2011, p. 38.

4. Journal of the Department of Architecture, University of Cyprus (*J.UCY-02* 2010), Presentation of student projects of ARH 311. Vernacular Architecture and Contemporary Issues (2007-2009).
5. Participation in the annual exhibition of the architectural students' works with a presentation of the subject ARH 311 (2009- 2016), the subject ARH 110 (2011-2016) and the subject ARH 516 (2012-2016).
6. Participation in the exhibition with my students' works on the subject ARH 311 in the framework of a one-day seminar organized in May 2011 in the National Metsovion University Athens, Greece, on the theme of introducing subjects related to architectural heritage in the curriculum of the Schools of Architecture.
7. Supervision of a group of students during the summer of 2010 for the survey and documentation of the abandoned traditional village of Parsada in collaboration with the Department of Antiquities.

7. PROFESSIONAL ARCHITECTURAL PROJECTS (ARCHITECT IN PRIVATE SECTOR)

- | | |
|-----------|---|
| 2010-2012 | Survey, conservation of my private vernacular listed house in Kapedes and its reuse as a vacation house. At the same time this house is now being used as a pilot case study for a research project that investigates the environmental features of the vernacular architecture of Cyprus. |
| 1999-2005 | Design and supervision of the construction of a contemporary monastery of 1000 m ² , adjacent to the historic monastery of Ayios Nicolaos in Orounda. |
| 1992-2001 | Survey, conservation and reuse of vernacular and listed buildings in Nicosia (Ayios Andreas, Kaimakli), Limassol and Cyprus villages (Omodhos, Peristerona, Lefkara, Alethrico). |
| 1999 | Participation in competitions for the design of village squares, and inclusion among the 7 architectural offices selected for submission for the design of the central square of Aglandjia and the roads leading to it. |
| 1998-1999 | Survey and historic study of three colonial buildings in Paphos (Old Court House, Post Office, Land Registry) in collaboration with the Public Works Department, the survey of Hala Soultan Tekke in Larnaca in collaboration with the Technical Chamber of Cyprus and Unops (United Nations project) and the survey of the Monastery of Panayia tou Kykkou. |
| 1995-1999 | Rearrangement of squares and other open spaces of Platanistasa and Polystypos village (in collaboration with the Cyprus Tourist Organization) and rearrangement of a village square in Tochni village, Cyprus. |
| 1992-1999 | Design and supervision of the construction of new buildings, mainly houses in Nicosia, Lakatamia, Kailmakli, Latsia, Larnaca, Oroklini and a complex of multiple uses. |
| 1992-1997 | Survey and supervision of the conservation of ancient monuments and historic buildings such as the Monastery of Panayia tou Sinti in Paphos, which was converted into a Museum and was awarded a Europa Nostra prize in 1997 , the church of St. Constantinos and Eleni and the mediaeval bridge of Tochni village, the Evanthia Pieridou Mansion in Larnaca and other projects. |
| 1992-1995 | Study and classification of vernacular buildings in Lefkara village as part of a project assigned to me by the Department of Town Planning and Housing and the study of the architectural character of the villages of Polystypos and Platanistasa in Nicosia district Cyprus, under a project of the Cyprus Tourism Organization. |

8. MEMBERSHIP IN PROFESSIONAL BODIES

Technical Chamber of Cyprus (E TEK)
 Cyprus Association of Architects (ΣΑΚ)
 Pancyprian Association of Architectural Heritage (ΠΟΑΚ)
 International Council on Monuments and Sites (ICOMOS)
 International Working Party for Documentation and Conservation of Buildings, Sites and Neighbourhoods of the Modern Movement (DOCOMOMO)
