## JOURNAL OF INTERNATIONAL BUSINESS STUDIES BEST REVIEWER AWARD 2021

*Professor Leonidas C. Leonidou is among the winners of the JIBS Best Reviewer Award for 2021*

Professor Leonidas C. Leonidou (Department of Business and Public Administration of the University of Cyprus) is one of the eighteen winners of the 2021 JIBS (*Journal of International Business Studies*) Best Reviewer Award, selected by the JIBS EIC and Managing Editor for this year!

The JIBS Best Reviewer Awards, which were introduced in 2008, are designed to recognize those individuals who have consistently demonstrated dedication to the journal, as reflected in their reviews over the past year. Decision criteria include quality of each review (as rated by the area editor on the manuscript), timeliness of each review (number of days from assignment to submission of the review, as recorded by Manuscript Central), and total number of reviews and/or guest editor assignments completed. The winners will each receive an award certificate and special recognition in the reviewer list published annually in the last issue of the journal.

The School of Economics and Management of the University of Cyprus would like to congratulate Professor Leonidou on this remarkable accomplishment and wish him continued success.
