

University of Cyprus
Graduate School

POSTGRADUATE PROGRAMMES PLACES
MASTER & PHD

FOR THE ACADEMIC YEAR 2023-2024
SPRING SEMESTER

ENTRY JANUARY 2024

September 2023

The University of Cyprus is accepting applications for the following postgraduate programmes beginning in **January 2024**, by **Tuesday 31st of October 2023 until 12 noon.**

Applications can be submitted electronically using the online application system http://ucy.ac.cy/postgraduate_appl_en -

The language of instruction for the above postgraduate programmes is Greek, except otherwise stated at <http://www.ucy.ac.cy/graduateschool/en/postgraduate-studies/postgraduate-programmes-of-study>.

All the offered places for the Faculties/Departments of the University of Cyprus are presented in a table ([Appendix A](#)). For more information on postgraduate study programmes please visit the website of the Graduate School at <https://www.ucy.ac.cy/graduateschool/?lang=en>

GENERAL INFORMATION FOR ALL POSTGRADUATE PROGRAMMES

Required Supporting Certificates/Documents:

The online applications should include the following:

- 1. Curriculum Vitae.**
- 2. Copies of University Degrees or a certificate of expected graduation** in the month preceding enrolment in the postgraduate programme. (In case of admission to a programme, certified photocopies of degrees must be submitted at the University no later than the acceptance date of the place).
- 3. University Transcripts** as appropriate.
- 4. A short statement** (max. two pages) of the student's research goals and interests.
- 5. Letters of recommendation.**
The names and addresses of at least two (2) referees (University Professors) familiar with the candidate and his/her academic performance. Reference letters are submitted electronically directly by the University Professors using the online application system. (Some departments require three (3) reference letters to be submitted with the application, so before submitting your application, please visit the web page of the department to verify the number of reference letters required).
- 6. Copy of a certificate of English language proficiency for enrollment in English-speaking postgraduate programmes, as presented below:**

In accordance with the Cyprus Agency of Quality Assurance and Accreditation in Higher Education (CYQAA), for admission to programmes of study taught in the English language at postgraduate levels at universities, candidate students should provide a certificate of their knowledge of English.

For programmes of study at the postgraduate level candidate students are required to have certification for “Very Good Knowledge” of English at level B2-C1 of the Common European Framework of Reference for Languages (CEFR).

Common European Framework of Reference for Languages (CEFR) corresponds to the following specific reference frameworks for international examinations, according to the official pages of the organizations offering these examinations. Indicatively, a score of 5.5 – 6.5 corresponds to knowledge of level B2 (Lower), while score 8.5-9 is level C2 (Proficiency).

Please note that some scores only remain valid for two years. If you apply using a certificate gained over two years ago, you will need to retake the test.

Option for candidates coming from Third Countries:

According to the 91.387/2021 decision of the Cabinet of the Republic of Cyprus, which is valid since 01.12.2022, there is an extra possibility for candidates coming from Third Countries and want to apply for a place in Universities and Colleges of the Republic. Namely, they are able from now to apply for entrance permit in the country, if they succeed in the Password Test Examination (Password Skills Test Plus edition).

Please, note that for their acceptance to a Postgraduate Programme, candidates must have a general grade of at least 5.5 on the particular examination.

For Doctoral Applications: A preliminary research proposal for a PhD place (if this is stated in the departments regulations).

Admitted candidates will be required to submit copies of degree certificates officially certified by the Issuing Authority.

Application Submission Confirmation

It is the applicant’s responsibility to ensure that their application has successfully been submitted. Upon successful submission, the candidate will receive an automated confirmation e-mail.

1. DEPARTMENT OF ACCOUNTING AND FINANCE

Thirteen (**13**) places for the postgraduate programme leading to a Master's or a PhD degree are distributed as follows:

- **10** places at the **Master's** level in **Finance**
- **3** places at the **PhD** level in **Finance**

Department's Secretariat:

Tel: 22 893641, 22 893605, Email: afn@ucy.ac.cy

Website: <https://www.ucy.ac.cy/afn/?lang=en>

2. DEPARTMENT OF ARCHITECTURE

Eighteen (**18**) places for the postgraduate programmes leading to a Master (MSc & MEng) and a PhD degree are distributed as follows:

- Nine (**9**) places at the PhD level for the postgraduate programme in Architecture*
- Nine (**9**) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (MSc & MEng) level in "**Energy Technologies and Sustainable Design**".

*The candidates for the PhD programme should be graduates of a Diploma in Architecture (5 years degree) or a Master (MA or MSc) in a domain of Philosophy, Social Science, Fine Arts, Applied Arts, Civil Engineering, Environmental Engineering, Electrical and Computer Engineering, Computer Science, Economics and Management.

Candidates for the master programmes must hold a university degree in a relevant science or engineering from the University of Cyprus or other accredited university in Cyprus or abroad.

**Applications are evaluated by the Committee of the Postgraduate Programme, which proposes recommendations to the Councils of the respective departments, which are responsible for the final approval of students admitted.

For further information, please contact the Secretary of the Department:

Tel: 22 892980, Fax: 22 895056, e-mail: Architecture@ucy.ac.cy, Departments Website: www.ucy.ac.cy/arch/en/

3. DEPARTMENT OF BIOLOGICAL SCIENCES

Twenty-two (**22**) places are available for the postgraduate programmes which lead to obtaining a Master's or a PhD degree. The places are distributed as follows:

- **14** places at **Master's** level
- **8** places at the **PhD** level

The postgraduate programmes of the Department of Biological Sciences are offered only in the English language. The applicant is required to have certification for “Very Good Knowledge” of English at level B2+.

Master Programmes (MSc):

- **Master's** level in **Molecular Biology and Biomedicine**
- **Master's** level in **Biomedical Sciences**
- **Master's** level in **Biodiversity and Ecology**

PhD Programmes:

- **PhD** level in **Biomedical Sciences**
- **PhD.** level in **Biodiversity and Ecology**

MSc and *PhD* degrees in Biomedical Sciences, as well as the *PhD* in Biodiversity and Ecology encompass classroom training and a strong laboratory-based research component. In contrast, the *MSc* in Molecular Biology and Biomedicine does not involve laboratory-based research. The *MSc* in Biodiversity and Ecology offers a research-based or a literature-based thesis. Applicants who join this programme will be offered one of these two options upon acceptance to the programme.

Students who apply for a laboratory-based research degree are strongly encouraged to contact departmental faculty members prior to their application process, in order to discuss the possibility of securing a laboratory place for thesis research and to be able to better select which laboratory best fits their interests. Upon acceptance to the laboratory-based research degrees, all students should have already identified a faculty member that would be prepared to supervise them for the laboratory component of their research work.

Candidates who meet the necessary qualifications will be called for an interview.

16. DEPARTMENT OF MECHANICAL AND MANUFACTURING ENGINEERING

Forty-Three (43) places are available for the postgraduate programme which leads to obtaining a Master's or a PhD degree. The places are distributed as follows:

- (a) Thirty six (27) places for the Postgraduate Programme in Mechanical and Manufacturing Engineering:
- Seven (7) places at a **MSc** level in **Mechanical and Manufacturing Engineering**
 - One (1) place at a **PhD** level in **Mechanical and Manufacturing Engineering**
 - Nineteen (19) places at **MEng** level in **Mechanical and Manufacturing Engineering**

Research Areas

- Biomedical Engineering
- Computational Mechanics of Solid and Fluids
- Design, Manufacturing, Automation and Robotics
- Energy Systems
- Mechanical Systems Modelling and Controls
- Micro- and Nano-Technology

(b) Seven (**7**) places for the postgraduate Programme in Materials Science and Technology

- Three (**3**) places at a **MSc in Advanced Materials and Nanotechnology**
- Four (**4**) places at a **PhD level in Advanced Materials and Nanotechnology**

(c) Nine (**9**) places for the Joint Postgraduate Programme of the Faculty of Engineering at Master (**MEng, MSc**) level in “**Energy Technologies and Sustainable Design**” which are distributed as follows:

- Nine (**9**) places at the **Master’s** level

An one-year scholarships (3500 Euros) will be offered to the best full-time candidate admitted in the postgraduate PhD programme based on academic merit (depending on availability of funds).
