

VACANCIES FOR SPECIAL SCIENTIST POSITIONS

Title: **Special Teaching Scientist**

Number of Positions: (1) One

Category: Part-time contract for the Fall Semester 2021-2022

Place of Work: University of Cyprus, Nicosia

The Department of French and European Studies accepts applications for the position of Special Teaching Scientist for the Fall Semester 2021-2022.

Applicants will be required to teach the following course:

GES 373 COMMUNICATION PROFESSIONNELLE

Appointment for the position will be subject to funding availabilities.

TASKS AND DUTIES

Teaching: the course is taught 3 hours a week (twice a week).

REQUIRED QUALIFICATIONS

A doctoral degree in a field related to the course.

The teaching language is French.

REMUNERATION

The fees for Special Scientists are €63 (gross) per teaching hour for PhD holders. The payment is made as follows: remuneration per teaching hour x 3 teaching hours per week x 15 weeks. From the total salary of €2835 (€63 x 3 teaching hours x 15 weeks), the employee's contributions to the various state funds will be deducted.

The candidates do not need to be citizens of the Republic of Cyprus.

Applicants are kindly requested to submit the following:

1. Letter of application, showing interest for the specific position

2. Curriculum Vitae (with contact address and telephone number)
3. Copies of degrees
4. Representative publications if any
5. Two letters of recommendation

The selected candidates will be required to submit certified copies of their degrees issued by the Ministry of Education (for the degrees issued by Private Schools or Universities in Cyprus) or by the relevant authorities (for Universities abroad).

In case the selected candidate is already employed in the Public or Wider Public sector, he/she must obtain an authorization from the relevant Department or Ministry.

Applications should be sent electronically to the following address <https://applications.ucy.ac.cy/recruitment> until 30th July 2021 at 12.00pm (local time).

For more information, contact the Secretary by email french@ucy.ac.cy or telephone +357 22 89 43 89.

Incomplete applications or applications submitted after the deadline will not be taken into consideration.

At least the 3 of the selected candidates for the position whose application meet the required criteria will be invited to an interview by a committee consisting of at least 3 members.

Candidates shall receive an answer to their application by email.

With the submission of your application, we assure you that the management and processing of your personal data will be carried out safely and confidentially in accordance with the General Regulation on Personal Data 2016/679 (EU).
