

ERASMUS+ PROGRAMME – KEY ACTION 1 MOBILITY FOR STUDIES

MEDICAL INSURANCE – MEDICAL ASSISTANCE

Medical Insurance

All EU/EEA country students must have **the European Health Insurance Card** in order to be able to receive medical care at all public hospitals when and if they need it.

Students who are third country students and European students who do not have a European Health Card must have a medical insurance from their home countries with coverage in Cyprus. The home universities may be contacted for more information.
