

COLLABORATION OF THE UNIVERSITY OF CYPRUS LANGUAGE CENTER WITH THE ITALIAN EMBASSY IN CYPRUS

The Language Center of the University of Cyprus welcomes the continued support of the **Italian Embassy** in Cyprus.

Funding from the Italian Embassy allows the Language Center at the University of Cyprus to offer a range of Italian as a foreign language courses to fulfill the foreign language requirements of the undergraduate study program.

With this sponsorship, the Language Center has included in its program of Italian language courses one at the B1.1 level of the CEFR.

Within the framework of actions to promote the Italian language, the teachers of Italian as a Foreign Language at the Language Center of the University of Cyprus promote a wide range of activities. They organize screening evenings of Italian films, and within the framework of multilingualism and multiculturalism events-they coordinate Language Cafés and prepare Language Tasters.

The University of Cyprus supports and promotes exposure to new cultures and multilingualism, with the aim of preparing students for a society that lives and develops in a multicultural environment. The Language Center creates a bridge to unite tertiary education with Cypriot society, promoting multilingualism as well as intercultural learning experience for all.
