

Department of Law, University of Cyprus
Vacancy for a Special Scientist for Research

Title: Special Scientist (Research)

Number of positions: two (2)

Duration: 1 position for 5 months (June – October 2022)

1 position for 4 months (June – September 2022)

The Department of Law, University of Cyprus is accepting applications for two (2) Special Scientists for research positions,

on a part-time basis, in the context of the start-up research fund of Dr. Charikleia Vlachou, Lecturer in Energy Law at the Department of Law, on the topic, “Digitalisation in the energy sector”.

Required Qualifications

- Law Degree from a recognized University (LLB).
- Excellent knowledge of the English Language (proven through previous research work in English or the completion of a degree in an English-speaking university).
- Experience in conducting legal research in an academic or policy context on energy law and/or EU law.
- Good computer skills and good knowledge of Microsoft Office programs.
- Excellent organization skills and commitment to complete duties within specified deadlines, effective report-writing skills, very good research skills.

Additional Preferred Qualifications

- Master’s Degree (preferably L.L.M. in energy law)
- Knowledge of legal issues relating to the use of Information Technology (IT) and Artificial Intelligence (AI).
- Doctorate in Law (PhD)
- Knowledge of the French and/or German language
- Research and report-writing experience on relevant issues.

Responsibilities and Duties

The successful applicants will be expected to conduct legal background research on:

- Relevant EU and Member State law (most importantly, energy law and privacy&data protection law).
- The state of the Cypriot electricity market, renewable energy sources and digitalization.
- The work carried out by EU institutions & bodies (including the Agency for the Cooperation of the Energy Regulators -ACER- and the European Union Agency for Cybersecurity - ENISA), European bodies (the Council of the European Energy Regulators and the European Networks of Transmission System Operators for Electricity and for Gas (ENTSO-E/G, the EU-DSO entity) and the Cyprus Energy Regulatory Authority (CERA) in this area.

- Legal articles and court cases (Court of justice and national courts) relating to the enforcement of the relevant regulatory framework.
 - Any additional legal issues that might arise in this area.
- Research will be characterized by an interdisciplinary dimension combining law, IT and economics.

Employment Conditions

The employment duration is set for four (4) or five (5) months respectively on a part-time basis to start on the **1st of June 2022**. The payment is set at 783,29 euros per month (100 hours per month). From this amount, employee contributions to the various Governmental Funds will be deducted. The Research Funding does not provide for the payment of a 13th salary. The successful applicants do **not** need to be nationals of the Republic of Cyprus but it is a requirement that during the employment period they are residing in the Republic of Cyprus.

Application Procedure

The interested applicants should send the below required documentation electronically to Dr. Charikleia Vlachou at vlachou.charikleia@ucy.ac.cy by **the 09th of May 2022**.

1. **Cover letter** demonstrating your interest and competence for the position
2. **Full Curriculum Vitae** (including contact details – email address and phone number).
3. Scanned copies of relevant degrees and detailed grading.
4. **Names and contact details** (email addresses) of **two** persons, at least one of which should be an academic, from whom a **reference letter** may be requested.

Interviews for this position will be held on the **12th of May 2022 (provisional date)**. At least the best three candidates that satisfy the required qualifications, will be interviewed by a 3-member Committee. Candidates shall be informed of the result of their application by the relevant entity. The University of Cyprus shall collect and process your personal data according to the provisions of the General Regulation on Personal Data 2016/679 (EU).

For further information on the specific position please contact Dr. Charikleia Vlachou at vlachou.charikleia@ucy.ac.cy.
