**European Regional Teaching 3-day Neurological Course at the
Medical School, University of Cyprus**

We are happy to announce the first [Regional Teaching Course](#), of the **European Academy of Neurology** to take place in Nicosia, Cyprus on 11-13 March, 2022

The RTC is scheduled for three days, focusing on various challenging neurological topics: peripheral neuropathy, clinical neurophysiology of the peripheral nervous system, and pain. The mornings of both days will feature lectures on these topics from key specialists from Cyprus and selected EAN speakers. In the afternoon of the first day, there will be workshops on investigating patients present with neuropathic symptoms, and on the afternoon of the second day, there will be workshops on motor conduction studies, sensory conduction studies and autonomic nervous system evaluation.

Applications for registration (on a first come, first served basis) should be sent to neurophy@ucy.ac.cy.

We look forward to seeing you in Cyprus.

The course is sponsored by the [Deputy Ministry of Tourism of the Republic of Cyprus](https://www.tourism.gov.cy/tourism/tourism.nsf/home_en/home_en?openform) (https://www.tourism.gov.cy/tourism/tourism.nsf/home_en/home_en?openform).
