# Workshop on **NANO**structured **MatE**rials & **Dev**ices

## NANOMED

University of Cyprus

Nicosia

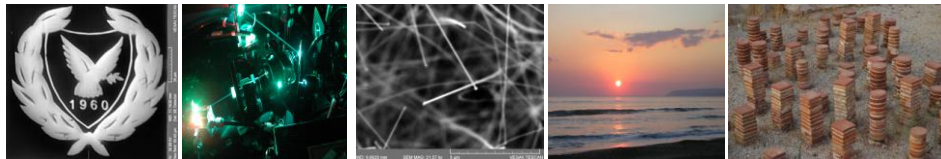

23 March 2011

The aim of this workshop is to bring together researchers working in the field of nanostructured materials and devices with particular emphasis on the synthesis, properties, and assembly of semiconductor nanowires and nanoparticles for the fabrication of electronic, optoelectronic and sensor nanoscale devices .

Confirmed invited speakers

Prof. I.Shalish, *Ben-Gurion University*, Israel.

Prof. N.Lovergine , *Università del Salento*, Lecce, Italy.

Abstracts should be submitted electronically by 9.3.2011 (E-Mail : [zervos@ucy.ac.cy](mailto:zervos@ucy.ac.cy) )
