## NetMAR Webinar Series

### First NetMAR Webinar

**Location:** online via [Zoom](#)

**TIME:** 2 – 4pm CET

**Wednesday**

**24 November 2021**

#### 'Riviste.unimi: A Scholar-led Publishing Platform'

**Paola Galimberti**  
(University of Milan)

The first NetMAR webinar, organised by SDU, will take place (online, via Zoom) on **24 November 2021** (2-4pm CET) and will be led by **Paola Galimberti** (University of Milan). This webinar will run under the title '**Riviste.unimi: A Scholar-led Publishing Platform**' and will revolve around the history, growth, and capabilities of open journal systems (OJS) as illustrated by the Publishing Platform at the University of Milan.

More specifically, the webinar will address:

- the history and growth of the riviste.unimi platform
- its business and organisational model (sustainability)
- the main features of the riviste.unimi platform and OJS more broadly
- the steps towards starting a journal
- cover different plugins (orcid, peer-review tools, etc.)
- online journal indexing
